Trail and Area Closures at Kaloko-Honokōhau National Historical Park (All closures from 7-11 am)

Helicopter operations will take place in the park. This will require partial, temporary park closures from 6am-11am on February 20th, 2020.

On Thursday, February 20th, the following areas will be closed -- Kaloko Road, Kaloko Parking Area, and Kaloko Picnic Area.

The reason for the closure is to provide public safety during helicopter operations for the purpose of removing invasive, non-native vegetation as part of cultural landscape rehabilitation. The helicopter will be sling-loading filled bags of cut vegetation and emptying them into green waste containers.

For further information please contact the Kaloko-Honokōhau National Historical Park visitor center at 326-9057.
