

Kenai Fjords National Park Snowmobile Use in the Exit Glacier Developed Area

National Park Service
Department of the Interior

Title 36 Code of Federal Regulations (CFR) 13.1318 defines Exit Glacier Developed Area (EGDA) As:

1. From the park boundary to Exit Glacier Campground Entrance Road, all park areas within 350 meters (383 yards) of the centerline of the Exit Glacier Road;
2. From Exit Glacier Campground Entrance Road to the end of the main paved trail, all park areas within 500 meters (546 yards) of any paved surface; or
3. All park areas within 300 meters (328 yards) of the terminus of Exit Glacier.

Title 36 CFR 13.1326 states:
The use of snowmachines is prohibited within the EGDA, except-

- a. On Exit Glacier Road;
- b. In parking areas;
- c. On a designated route through the Exit Glacier Campground to Exit Creek;
- d. Within Exit Creek; and
- e. For NPS administrative activities.
