

# Quagga & Zebra Mussel-Free Certification

Please comply with Lake Roosevelt's quagga and zebra mussel prevention program before you launch your boat.

## BEFORE YOU LAUNCH:

- Answer the questions on the back.
- If your answers advise you to decontaminate your boat, you *must* do so before entering Lake Roosevelt!
- If you're ready to launch now, just complete the *certification statement*.
- Place the certification in the *windshield* of your parked vehicle.

Aquatic Invasive Species may be hiding under your trim tabs, in your engine, and on your anchor chain! To keep the lake beautiful and free of aquatic invasive species, please make the effort to

## Quagga and zebra mussels:

- Disrupt the food chain and fishing
- Attach to facilities like docks and ramps
- Encrust boats and clog drains
- Litter beaches with sharp, smelly shells
- Juveniles are microscopic and undetectable

Questions? Check with a park ranger or call 509-754-7800 during normal business hours.

**1. CLEAN**  
**2. DRAIN**  
**3. DRY**

# Zebra and Quagga Mussel Self-Certification Questionnaire

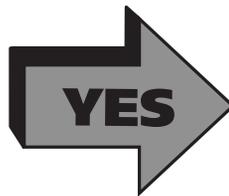

Has your boat been in waters outside of Washington, Idaho, or Oregon in the past 30 days?

Was your boat and trailer cleaned, drained, and dried for the time indicated on the table?

*This includes:*

- Removing all dirt, plants, and grit.
- Draining and flushing all live wells and bilge areas.

Ensure that your boat complies with cleaned and drained requirements. You can now launch your boat!

*Sign the certificate and display in windshield.*

Your watercraft is required to be cleaned and drained before launching.  
*(RCW.77.135.110)*

Violations are punishable by up to 6 months in jail and a \$5,000 fine.

Call 509-754-7800 during business hours to schedule an inspection.

Month	Drying Days
