Area Closures

Areas in Lassen Volcanic National Park that were burned by the Reading Fire will be closed to the public until further notice. These areas contain increased public safety hazards.

This closure includes all of the burned areas bounded by:

- The Lassen Park Highway from the entrance to Crags Campground to the entrance of Summit Lake South campgrounds the west boundary,
- The northern boundary of Lassen Volcanic National Park as the north boundary,
- The summit of Prospect Peak to the summit of Cinder Cone to the east edge of Lower Twin Lake as the east boundary.
- The east edge of Summit Lake to the east edge of Lower Twin Lake as the south boundary.

This closure also includes all of the burned areas bounded by:

- The Lassen Park Highway from Hat Lake parking Lot to Summit Lake as the north boundary,
- Hat Lake to Cliff Lake,
- North of the Cliff Lake to Summit Lake Trail.

As depicted on the *Closures as of August 27, 2012, 12:00 PM Due to Fire Hazards in the Park* map

Justification

Closures and restrictions are necessary for the protection of public and employee life and property, and for adequate protection of park resources during and in the aftermath fire management activities.
