Inside of a Volcano

Join a ranger and discover what drives Sulphur Works and learn about the secrets that make its features unique.

Junior Rangers

If you are 7 to 12 years old, you can become a junior ranger by joining in this fun adventure. Learn about the park through games and outdoor activities.

Manzanita Lake Evening Program

Join a park ranger for an evening program about the park's natural or cultural history.

On the Wild Side

Discover some of the "wilder sides" of the park during this program. Topics vary from the natural to the cultural history of the park.

On Top of a Volcano

You've made it to the top of Lassen! Catch your breath and learn more about the historic 1915 eruption of Lassen Peak. Bring your lunch and meet a ranger at the top of Lassen Peak.

Pioneers

It's 1853 along the wagon road called the Nobles Emigrant Trail. You will visit a pioneer camp and meet some rugged travelers who tell stories about their journey to California.

Summit Lake Evening Program

Join a park ranger for a lively program about the natural or cultural history of the park.

Volcanoes!

Did you know that every mountain in the park is a volcano or part of one? Learn about the geology and volcanic history of the park.
