50th Anniversary of the Wilderness Act

September 3, 2014

September 3, 2014 marked the 50th Anniversary of the Wilderness Act. This year, we celebrate the spirit of wilderness that pervades our everyday lives from the freedom to enjoy solitude and recreation in our public lands to the exhilaration of feeling as if you are the first person to visit a truly wild place. Learn more about Lassen Volcanic Wilderness at the Kohm Yah-mah-nee Visitor Center.

50th Anniversary of the Wilderness Act

September 3, 2014

September 3, 2014 marked the 50th Anniversary of the Wilderness Act. This year, we celebrate the spirit of wilderness that pervades our everyday lives from the freedom to enjoy solitude and recreation in our public lands to the exhilaration of feeling as if you are the first person to visit a truly wild place. Learn more about Lassen Volcanic Wilderness at the Kohm Yah-mah-nee Visitor Center.

Program Descriptions

Climate Change at Lassen

Join a ranger for a discussion on the challenges and opportunities related to climate change at the park. What will Lassen look like in 25 years?

Future Parks of the Solar System

In this well-illustrated presentation, you will take a tour of the top destinations of the solar system. Featuring the latest images and videos from robot space probes, we'll explore the wondrous places in our solar system.

Inside a Volcano at Sulphur Works

Join a ranger and discover what drives Sulphur Works and learn about the secrets that make its features unique.

Lassen's Wilderness

2014 marks the 50th anniversary of the signing of the Wilderness Act. Come and discover the many meanings of wilderness during this illustrated program.

Lakes and Ponds

Join a park ranger for a casual walk to explore the hidden wonders of a lake and two ponds.

On the Wild Side

Discover some of the "wilder sides" of the park during this program. Topics vary from the natural to the cultural history of the park.

Secrets to Survival

Up to 40 feet of snow in winter and fires as hot as 1200° F in summer - Lassen is a harsh place to call home! How do plants and animals survive? Find out about their Secrets to Survival, and how their survival will be challenged as Lassen's climate continues to change.

Solar Scope Viewing

This is your chance to safely view our sun. Special telescopes will be set up to view and learn about sunspots and solar prominences. Come take a peek at our closest star.

Stories in Stone

Join a park ranger and learn about the mysteries and geology of Bumpass Hell.

Volcanoes

Did you know that every mountain in the park is a volcano or part of one? Learn about the geology and volcanic history of the park.

Wilderness Junior Rangers

Kids 7 to 12 years old - join a ranger for a two hour adventure and find fun while protecting Lassen's Wilderness. Please come prepared to hike (hiking shoes, water, snack, and sun gear recommended).
