

Riverwalk Ramble

Stroll the scenic Merrimack and enjoy the views from atop the Great River Wall. Discover how Lowell's natural and urban environments shaped each other's history, and are still intertwined today.

▲ 1.6 miles

Heritage Hike

Walk the Western Canalway through Lowell's storied "Acre" neighborhood and explore the rich history and vibrant culture of the many ethnic groups who have called this city home.

▲ 1 mile

Redevelopment Rove

Learn how historic mill complexes and canalside spaces are transformed into a vibrant mixed-use neighborhood that will serve as a dramatic new gateway for the city.

▲ 1 mile

Waterpower Walk

Discover lock chambers, gatehouses, turbine pits, and dams, and celebrate the spirit of innovation and the triumph of technology that harnessed the power of water for modern industry.

▲ 1.2 miles

EXPLORE. LEARN. PLAY. Nearly 200 years ago, Lowell's groundbreaking canal system transformed the landscape and powered the city's new textile mills. Today, this network of waterways has reemerged as a defining feature of contemporary life in downtown Lowell. Get outside and connect with Lowell's evolving stories of immigration, technology, environmental change, and preservation.
