| | |
|--|--|
| Range of Possible Uses | educational, park, recreational, cultural, or historic preservation purposes. |
| Commercial Activities | Commercial activities are prohibited unless approved by the Secretary of the Interior. |
| Utilities | Water is provided to the Property from the Municipal water system; there are no wells on the site. The Keeper's Quarters septic tank and drain system are still in operation. The lighthouse also has a septic system, though it does not appear to be use. There are no connections to wastewater systems leading off the site. Puerto Rico Electric Power Authority (PREPA) provides distribution and electrical service to the property via aboveground distribution lines. No solid waste disposal facilities exist. |
| Historical Information | <p>Listed on the National Register of Historic Places, reference number #81000688, as an individual property and as a contributing property to the Lighthouse System of Puerto Rico.</p> <p>The Property must be maintained according to the Secretary of Interior's Standards for Rehabilitation. Historic covenants will be incorporated into the deed.</p> |
| Aid to Navigation (ATON) | <p>The lighthouse was originally illuminated by a Third Order Fresnel lens, which has been replaced by a modern optic; however the lens remains on the Property.</p> <p>The modern optic located at the Property remains the personal property of the United States Coast Guard (USCG).</p> |
| Access | A one-lane asphalt road runs through the property from the lighthouse on the southern end to the north entrance. A public road leads from the Property Gate north to Highway PR 760. |
| Easements to be retained by the Coast Guard | <ol style="list-style-type: none"> 1) An easement to the USCG for the purpose of preserving an Arc of Visibility within the radial arc of 360 degrees for Punta Tuna Lighthouse with the stipulation that nothing will be constructed maintained or permitted of a height sufficient to interfere with or obstruct the Arc of Visibility of said light. 2) An easement for an unrestricted right of access for ingress and egress, to and across the Property to maintain, operate, service, repair, and replace equipment as necessary to support its ATON mission; and 3) The unrestricted right to relocate or add any aids to |
