Workshop Requirements for Earning PDPs

You may earn up to 45 PDPs for your participation in this workshop and the development of lesson plans as follows:

- Earn 18 PDPs by participating in two full days of workshop sessions, submitting the course evaluation, and developing one lesson plan
- Earn 45 PDPs by participating in the full 5-days of the workshop, submitting the course evaluation, and developing lesson plans to cover 3 class periods

Lesson plans are due by August 21 to Leslie Obleschuk. You may submit your assignments electronically, in person, or by mail, in typewritten form using Microsoft Word.

- Electronically, via e-mail: leslie_obleschuk@nps.gov, or
- In person or by mail to Leslie: Minute Man National Historical Park, 174 Liberty Street, Concord, MA 01742

Lesson plans should be developed to use the materials made available to you through the workshop sessions. These are lessons you plan to implement with students. Include the following elements in each lesson plan:

- The title of the Unit in which the lesson will be taught
- Lesson title, grade level, time frame
- The objectives (learning outcomes) for the lesson
- The key concepts and skills you want students to develop or demonstrate
- Links to Massachusetts Curriculum Frameworks Learning Standards
- A listing of the resources and materials for use in the lesson
- A description of the activities (“How to”) in enough detail for a substitute to teach the lesson for you
- A description of your evaluation (assessment) methodology; how will you tell whether the students acquired the objectives and skills you identified?

A sample lesson template is available as an example. You may use a different format as long as you include all of the elements listed above.

We will do our best to issue your PDP certificates by September 12 and will mail them to the address you provided on your workshop registration form. If you have questions, please call Leslie (978-318-7831) or Jim (978-318-7832).
