The provisions of this section will survive the Expiration Date or Termination Date of

this Lease.

Section 12. DAMAGE OR DESTRUCTION

12.1. Damage or Destruction; Duty to Restore

If the Premises or any portion thereof are damaged or destroyed at any time during the Lease Term, one of the following will occur as directed by the Lessor:

(a) the Lessee, subject to the Lessor's prior written approval, must as promptly as reasonably practicable and with all due diligence repair or replace the damaged or destroyed Premises to the condition that existed prior to the damage or destruction; or

(b) the Lessor may terminate this Lease without liability and the Lessee must pay the Lessor as Additional Rent the insurance proceeds resulting from the damaged or destroyed Premises.

12.2. No Termination; No Effect on Rental Obligation

No loss or damage by fire or other cause resulting in either partial or total destruction of the Premises or any other property on the Premises will operate to terminate this Lease except as provided in Section 14.1 of this Lease. Except as otherwise may be provided for in this Lease, no such loss or damage will affect or relieve the Lessee from the Lessee's obligation to pay the Rent required by this Lease and in no event will the Lessee be entitled to any prorated return or refund of Rent paid hereunder. Unless this Lease is terminated under Section 12.1, no such loss or damage will relieve or discharge the Lessee from the payment of taxes, assessments, or other charges as they become due and payable, or from performance of the other terms and conditions of this Lease.

Section 13. LIENS

13.1. No Power in Lessee to Create

The Lessee has no power to take any action that may create or be the foundation for any lien, mortgage or other encumbrance upon the reversion, fee interest or other estate of the Lessor or of any interest of the Lessor in the Premises, except as otherwise may be expressly approved by the Lessor in writing in accordance with the terms of this Lease.

13.2. Discharge of Liens by Lessee

The Lessee may not permit any liens to be filed or to stand against the Premises for any reason. If a lien is filed against the Premises, the Lessee must cause it to be discharged of record within sixty calendar (60) days after notice to the Lessee of filing the lien. If the Lessee fails to discharge or contest the lien within this period and the failure continues for a period of fifteen calendar (15) days after notice by the Lessor, then, in addition to any other right or remedy of the Lessor, the Lessor may, but is not required to, procure the discharge of the lien either by paying the amount claimed to be due, by deposit in court, or by bonding. All amounts paid or deposited by the Lessor for any of these purposes, and all other expenses of the Lessor and all necessary disbursements in connection with them, will become due and payable forthwith by the Lessee to the Lessor upon written demand therefore as Additional Rent.

13.3. No Consent or Request by Lessor

Nothing in this Lease constitutes the Lessor's express or implied consent, request, or authorization for any

person or entity to perform any labor or furnish any materials in connection with the Premises.

Section 14. ASSIGNMENTS AND ENCUMBRANCES

14.1. Assignments

The Lessee may not effectuate an Assignment or Sublease of this Lease, in whole or in part, or grant any right, interest, privilege, or license whatsoever in connection with this Lease, without the Lessor's prior written approval. The Lessor may, but is not obligated to, approve or disapprove a requested Assignment or Sublease. In no event, however, will the Lessor approve an Assignment or Sublease unless the Lessor has determined that the proposed assignee or Sublessee is financially and managerially capable of carrying out the terms of this Lease.

The Lessor may assign this Lease or any or all of its rights or obligations under this Lease at any time.

14.2. Encumbrances

The Lessee may not effectuate an Encumbrance on the Premises without the Lessor's prior written approval. The Lessor may, but is not obligated to, approve or disapprove any requested Encumbrance. In no event, however, will the Lessor approve an Encumbrance unless the Lessor has determined that the Encumbrance only grants its holder, in the event of a foreclosure, the right to assume the Lessee's responsibilities under this Lease or to select a qualified new lessee, subject to the Lessor's written approval, and that it does not purport to grant its holder any rights to alter or amend the Lease's terms or conditions.

Section 15. DEFAULTS AND LESSOR'S REMEDIES

15.1. Termination for Default

The Lessor may terminate this Lease for default if the Lessee fails to perform any of its responsibilities or obligations under this Lease. Before terminating this Lease for default, the Lessor will provide the Lessee with a Notice of Default giving the Lessee fifteen (15) calendar days to cure a monetary default or thirty (30) calendar days to cure a non-monetary default. Notwithstanding the foregoing, if the Lessor determines that the Lessee is in default of the Lease and the Lessor has provided the Lessee two or more Notices of Default of any nature within the preceding twelve (12) months, then the Lessor may immediately terminate this Lease for default without providing the Lessee with further Notice of Default or the opportunity to cure the default.

If the Lessee does not cure its default within the applicable cure period, or if a cure period is not required, then the Lessor may terminate this Lease through written notice to the Lessee and require the Lessee to immediately remove its Personal Property from, and to vacate, the Premises. If the Lessee fails to remove all of its Personal Property from the Premises by the Termination Date or a later date specified by the Lessor in the notice of termination, then the Lessor may impound or otherwise dispose of that property in accordance with 36 C.F.R. § 2.22.

15.2. Bankruptcy

The Lessor may terminate this Lease in the event of a filing or execution of: (a) a petition in bankruptcy by or against the Lessee which is not dismissed within ninety (90) calendar days of its filing; (b) a petition seeking relief of the same or different kind under any provision of the Bankruptcy Act or its successor; (c) an assignment for the benefit of creditors; (d) a petition or other proceeding against the Lessee for the

appointment of a trustee, receiver, or liquidator; or (e) the taking by any person of the leasehold created by this Lease or any part thereof upon execution, attachment, or other process of law.

15.3. No Waiver

Neither the Lessor's failure to insist upon the strict performance of any of the terms and conditions of this Lease or to exercise any right or remedy upon a default nor the Lessor's acceptance of full or partial Rent during the continuance of any default will constitute a waiver of any default or of such terms and conditions. No terms and conditions of this Lease may be waived or modified except by a written instrument executed by the Lessor. No waiver of any default will affect or alter this Lease, but each and every term and condition of this Lease will continue in full force and effect with respect to any other then existing or subsequent default.

15.4. Lessor's Right to Cure Defaults

If a default occurs under the terms of this Lease and the Lessee fails to correct the default within the applicable cure period, the Lessor may choose to correct the default (entering upon the Premises for such purposes if necessary), and the Lessor will not be liable or in any way responsible for any loss, disturbance, inconvenience, or damage resulting to the Lessee as a result, and the Lessee must pay to the Lessor upon demand the entire expense of the correction as Additional Rent, including the cost of consultants or contractors hired by the Lessor to correct the default and related expenses. The Lessor may act upon shorter notice or no notice at all if necessary in the Lessor's judgment to meet an emergency situation, governmental time limitation, or to protect the Lessor's interest in the Premises.

Section 16. SURRENDER AND HOLDING OVER

16.1. Surrender of the Premises

(a) On or before the Expiration Date or Termination Date of this Lease, the Lessee must surrender and vacate the Premises; remove the Lessee's Personal Property from the Premises; and return the Premises, including the Lessor's Personal Property, to as good an order and condition as that existing upon the Commencement Date, ordinary wear and tear excepted.

(b) For these purposes, the Lessor and the Lessee will prepare an Inventory and Condition Report of the Premises to constitute the basis for settlement by the Lessee to the Lessor for the Lessor's Personal Property, or elements of the Premises shown to be lost, damaged or destroyed. Any such Personal Property, or other elements of the Premises must be either replaced or returned to the condition required under this Section by the Lessee, ordinary wear and tear excepted, or, at the election of the Lessor, reimbursement made therefore by the Lessee at the then current market value thereof.

16.2. Holding Over

This Lease will end upon the Expiration Date or Termination Date and any holding over by the Lessee or the acceptance by the Lessor of any form of payment of Rent or other charges after such date will not constitute a renewal of this Lease or give the Lessee any rights under this Lease or in or to the Premises.

Section 17. NONDISCRIMINATION AND EMPLOYMENT LAWS

The Lessee and the Lessee's contractors must comply with the requirements of all Applicable Laws relating to nondiscrimination in employment and in providing facilities and services to the public. The Lessee must comply with all provisions of Executive Order 13706 of September 30, 2016, (Establishing

Paid Sick Leave for Federal Contractors) and its implementing regulations, including the applicable contract clause, codified at 29 C.F.R. pt. 13, all of which are incorporated by reference into this Lease as if fully set forth in this Lease. The Lessee must comply with all provisions of Executive Order 13496 of January 30, 2009, (Notification of Employee Rights Under Federal Labor Laws) and its implementing regulations, including the applicable contract clause, codified at 29 CFR part 471, appendix A to subpart A, all of which are incorporated by reference into this Lease as if fully set forth in this Lease. The Lessee certifies that it does not operate any programs promoting diversity, equity, and inclusion that violate any applicable Federal anti-discrimination laws. The Lessee agrees that its compliance in all respects with all applicable Federal anti-discrimination laws is material to the government's payment decisions for purposes of the False Claims Act, 31 U.S.C. § 3729(b)(4).

Section 18. NOTICES

Except as otherwise provided in this Lease, any notice, consent, or other communication required or permitted under this Lease must be in writing and must be delivered by hand, sent by courier, or sent by prepaid registered or certified mail with return receipt requested to the following addresses (or to such other or further addresses as the parties may designate by notice given in writing to the other party):

Section 19. GENERAL PROVISIONS

The following general provisions apply to this Lease:

(a) The Lessor is not for any purpose a partner or joint venture participant of the Lessee in the development or operation of the Premises or in any business conducted on the Premises. Under no circumstances will the Lessor be responsible or obligated for any losses or liabilities of the Lessee. The Lessee may not publicize, or otherwise circulate, promotional or other material of any nature that states or implies endorsement of the Lessee or its services or products by the Lessor or any other governmental agency.

(b) This Lease is not intended to, and does not, confer upon any person or entity, other than the parties hereto, any right or interest, including any third party beneficiary status or any right to enforce any provision of this Lease.

(c) This Lease provides no right of renewal or extension to the Lessee, nor does it provide the Lessee with the right to award of a new lease upon termination or expiration of this Lease. No rights will be acquired by virtue of this Lease entitling the Lessee to claim benefits under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, Public Law 91-646.

(d) The Lessee warrants that no person or selling agency has been employed or retained to solicit or

secure this Lease upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee. For breach or violation of this warranty, the Lessor will have the right to immediately terminate this Lease for default.

(e) If one or more provisions of this Lease are held to be invalid for any reason, such invalidity will not affect any other provision of this Lease, and this Lease will be construed as if the invalid provisions had not been contained in this Lease.

(f) All exhibits that may be referenced in this Lease are hereby attached to and incorporated in this Lease.

(g) Time is of the essence to this Lease and all of its terms and conditions.

(h) The laws of the United States govern the validity, construction, and effect of this Lease.

(i) This Lease constitutes the entire agreement between the Lessor and the Lessee with respect to its subject matter and supersedes all prior offers and negotiations, oral or written. This Lease may not be amended or modified except by a written instrument executed by the Lessor and the Lessee.

(j) The voluntary sale or other surrender of this Lease by the Lessee to the Lessor, or a mutual cancellation, or the termination by the Lessor pursuant to any provision of this Lease, will not work a merger, but, at the option of the Lessor, may either terminate any or all existing Subleases hereunder or operate as an Assignment to the Lessor of any or all Subleases.

(k) If more than one lessee is named in this Lease, each lessee is jointly and severally liable for performance of the obligations of this Lease.

(l) Any and all remedies available to the Lessor for the enforcement of the provisions of this Lease are cumulative and are not exclusive, and the Lessor may pursue either the rights enumerated in this Lease or remedies authorized by law, or both. The Lessee will be liable for any costs or expenses incurred by the Lessor in enforcing any term of this Lease, or in pursuing legal action for the enforcement of the Lessor's rights, including court costs.

(m) Nothing contained in this Lease binds the Lessor to expend, in any fiscal year, any sum in excess of the appropriation made by Congress for that fiscal year or administratively allocated for the subject matter of this Lease, or to involve the Lessor in any contract or other obligation for the future expenditure of money in excess of such appropriations. This Lease is subject to cancellation by the Lessor in the exercise of its sovereign authority to the extent provided by Applicable Laws.

1. Types of Insurance (Non-Construction)

(a) Property Insurance - An all risk or special form, including fire, vandalism and malicious mischief insurance. The amount of such insurance must be the full insurable value of the Premises. All such policies must specify that proceeds shall be payable whether or not any damaged or destroyed improvements are actually rebuilt. All such policies must waive any requirement that a building or structure be replaced at its original site.

(b) General Liability - Comprehensive Farm Liability and/or Commercial General Liability through one or more primary and umbrella liability policies against claims for bodily injury and property damage occurring on the Premises, the improvements thereon, or the streets, curbs or sidewalks adjoining the Premises, with such limits as may be required by the Lessor, but in any event not less than Five-Hundred Thousand Dollars (\$500,000.00) per incident and One Million Dollars (\$1,000,000.00) aggregate for the Premises. Such insurance must insure the performance by the Lessee of its indemnity obligations under this Lease.

(c) Other - All other insurance that the Lessee should maintain to adequately protect the Premises, the Lessor, and the Lessee.

2. Conditions of Insurance

(a) The policy or policies required under this section must provide that in the event of loss, the proceeds of the policy or policies will be payable to the Lessee to be used solely for the repair or replacement of the property damaged or destroyed, as approved and directed by the Lessor, with any balance of the proceeds not required for repair, replacement, or removal paid to the Lessor; provided, however, that the insurer, after payment of any proceeds to the Lessee, will have no obligation or liability with respect to the use or disposition of the proceeds by the Lessee.

(b) All property and liability insurance policies must name the United States of America, on behalf of the National Park Service, as an additional insured.

(c) All of the insurance required by this section and all renewals must be issued by one or more companies of recognized responsibility licensed to do business in the state in which the Park Area is located with a financial rating of at least a Class B+ (or equivalent) status, as rated in the most recent edition of Best's Insurance Reports (or equivalent) or as otherwise acceptable to the Lessor.

(d) All insurance policies must provide that such policies may not be cancelled, terminated, or altered without thirty (30) days prior written notice to the Lessor. The Lessee must provide to the Lessor a copy of each policy and a certificate of the policy executed by a properly qualified representative of the insurance company evidencing that the required insurance coverage is in full force and effect on or before the Commencement Date, and annually thereafter. The Lessee must maintain all policies provided throughout the Lease Term and the Lessee must renew such policies before the expiration of the term of the policy.

(e) The Lessee and the Lessee's agents may not do anything, or permit anything to be done, in or about the Premises or on adjacent or nearby property that would invalidate or be in conflict with the provisions of any

fire or other insurance policies covering the Premises or result in a refusal by insurance companies of good standing to insure the Premises in the amounts required under this Exhibit.
