## What will the Coldwater Unit Look Like in the Future?

Interested in experiencing first-hand what the future of the Coldwater Unit might hold? Visiting the Bruce Vento Nature Sanctuary at the edge of downtown St. Paul will provide you with a personal experience of the vision for the Coldwater Unit. Explore the sanctuary at your convenience; it is open to the public. Take a virtual tour of the sanctuary by visiting <http://www.lowerphalencreek.org/>.

Want to visit a prairie site close to the Coldwater Unit? Then visit the Minneapolis Park and Recreation Board (MPRB) prairie restoration site. It is along the trail to the Minnehaha Falls Regional Park designated off-leash dog park. Check the maps below for the general locations.
