## National Parks Crossword

There are nearly 400 national parks in America. Some are called National Parks (NP), but there are also National Monuments (NM), National Memorials (NMem), National Historic Sites (NHS) and many more. Each one is a special place that protects nature, history or recreation. See how many you can guess from their official 4-letter codes, then look up the rest online by entering the codes like this: [www.nps.gov/\\_\\_\\_\\_](http://www.nps.gov/____).
