APPLICATION REQUIREMENTS for a SPECIAL PARK USE PERMIT

In response to your inquiry concerning Special Park Uses, enclosed is a Special Park Use Application Worksheet for you to complete and return to us. It is important that the worksheet be as detailed as possible concerning your proposed activity. For example, we must know where you propose to conduct your activity or event, the number of participants, what type of equipment you will use, *and* any special provisions you may have.

If you are not familiar with the area, it is advisable to make an advance-scouting trip for routes and/or locations. You will not be permitted to arrive and then select routes/locations on the day of the event. For guided tours, sporting events or other organized gatherings, you will need to attach a copy of advertisements, flyers, brochures, and all information sent to participants. Requests for filming, commercial photography or other commercial operations require a different application form.

The information on the worksheet will be utilized by National Park Service (NPS) staff to evaluate the impacts of your activity on park resources and visitors, the appropriate type of permit, and any additional fees required. **It may require several weeks to review your request and render a decision.**

FEES: A non-refundable application fee of \$69.00 is required from all applicants, regardless of whether or not the permit is issued. The NPS has the authority to collect or recover from Special Park Use permit holders any or all of the costs associated with the special use activities. If the request requires independent review, administrative processing costs (at minimum, \$216.00) and monitoring costs (minimum of two hours at \$45.00/hour) may also be collected.

INSURANCE: If your request is approved, a Certificate of Insurance will be required showing that you have general liability insurance coverage of \$1,000,000. This certificate must name the United States of America as "additional insured." Other coverage limits may be required based on the requested activity. If required, we will need an **original** certificate of insurance for our files. The permit holder's name must be on the Certificate of Insurance.

BONDS: A performance bond may also be required. The amount of the bond will be determined from the information provided on the worksheet. It may be paid by bond or cashier's check. This bond will be returned to you upon completion of your activity if all stipulations have been met and park resources have not been damaged.

Please submit the enclosed Application Worksheet to the address below. You may post, email or fax the worksheet to:
