

Climate Change Teacher Workshop

August 2-August 4, 2021

Take an intersectional look at how climate change impacts Mount Rainier and communities downstream including Native communities. Learn through hands-on activities, guest speakers and field-based learning opportunities during easy to moderate hikes in the park.

Credits | 20 clock hours | 16 in person, 2 online synchronous, 2 independent
Free | Workshop, park admission, camping

Register | Send [Registration form](#) to Annie_Runde@nps.gov

Questions | 360-569-6592 | Annie_Runde@nps.gov
