scheduled to reopen at noon September 28

SR123 south of the SR410 intersection & north of the Stevens Canyon intersection is closed. Scheduled to reopen at noon on Friday, September 28, 2007.

A 4.5 mile segment of Stevens Canyon Road east of the Backbone Ridge viewpoint and west of the the Grove of the Patriarchs parking lot is closed for repairs through October

The suspension bridge is closed. It has temporarily been replaced with a footlog for safe access across the river to the Grove of the Patriarchs.
