

# Summit Register Request

To request a copy of a summit register signature please complete the form below and email it to Mount Rainier National Park Museum Curator Brooke Childrey at [Brooke\\_Childrey@nps.gov](mailto:Brooke_Childrey@nps.gov).

The Mount Rainier National Park Archives contain a collection of original summit registers covering the period 2004 through June 2011, then from July-August 2012. Summit registers from approximately 1915 to 2003 are available upon request at the National Archives, Seattle office, at [www.archives.gov/seattle/](http://www.archives.gov/seattle/). Please note: Due to the conditions at the summit some registers have been damaged or lost.
