

Night Hike at the Natchez Trace Parkway

Date: Saturday, September 29

Location: Natchez Trace Parkway
Visitor Center, milepost
266 near Tupelo, MS

Time: 6:30 p.m.

What to Bring: Comfortable shoes and a
flashlight

Join a ranger for a one-hour program that will give families the unique opportunity to walk on a paved nature trail at night. We will use all our senses to discover more about some of the animals that make the park come alive after the sun sets.

For more information, please contact the Natchez Trace Parkway Visitor Center at 662-680-4027 or visit the park's website: www.nps.gov/natr.
