

**Jeff Busby Site Milepost 193.1**

**Jeff Busby Site (milepost 193.1)** The campground is named for Thomas Jefferson Busby, the U.S. Congressman from Mississippi, who introduced a bill that resulted in the 1934 act authorizing a survey of the Old Natchez Trace. On May 18, 1938 the Natchez Trace Parkway was authorized as a unit of the National Park System. Little Mountain is one of Mississippi's highest points on the parkway, 603 feet. The area includes the 18-site campground, picnic tables, exhibit shelter and overlook atop Little Mountain, phone, and trails.
