You are Invited to attend a workshop to learn about the management plan being developed for the Wekiva River. The Wekiva River has been designated by the Congress as a National Wild and Scenic River.

A management plan is being developed and your input is desired. You will see draft goals and objectives to address issues concerning the river and have the opportunity to provide suggestions and comments.

We want your expertise! If you know useful information about the river we'd like you to attend and share. The Community Workshop will be held September 26, 2007 from 6:00 - 9:00 p.m. at Wekiwa Springs State Park (Youth Camp Recreation Hall).

For further information about the Workshop and the Plan for the Wekiva River, visit www.friendsofwekiva.org or www.rivers.gov/wsr-wekiva

The Wekiva River System Advisory Management Committee, with representatives from the Cities of Apopka and Longwood, Lake, Seminole and Orange Counties, the Florida Dept. of Env. Protection, The Nature Conservancy, Florida Audubon, St. Johns River Management District, the Friends of the Wekiva River, Inc., and the National Park Service are charged with developing the Plan for the Wekiva Wild & Scenic River and are hosting this Community Workshop.
