

# Peregrine Falcon #27408

New River Gorge National River

Total Estimated Distance Traveled  
(Based Upon Daily Satellite Location  
Updates) = 10897 Miles  
\*The True Flight Distance Traveled is  
likely much greater than this value  
reflects since the satellites only capture  
point data within a limited time window  
each day.

Current Location of #27408  
(Last transmission 12/2007)

**Legend**  
— 27408
