

National Park Service  
U.S. Department of the Interior

# North Cascades National Park Service Complex Centennial Event / Program Plan - 2016

## July

---

- Centennial Andy Porter Photography Workshop - July 11

Celebrate the National Park Service Centennial with renowned nature photographer, Andy Porter, in a Nature Photo Composition Workshop. Andy will cover the basics of composition and discuss settings and tricks to capture stunning images of the North Cascades, and beyond! Meet at the North Cascades Visitor Center, may travel either by foot or car to another location.

## August

---

- Centennial Andy Porter Photography Night Skies Workshop - August 1

Have you seen stunning images of the Milky Way and wondered how YOU could take pictures as stunning? Join professional photographer Andy Porter after dark as he discusses the technical side of camera and lens settings and learn how to capture images that are out of this world!

- Music in the American Wild - August 7, 8, and 10

August 7 - North Cascades Environmental Learning Center, 7 pm

August 8 - North Cascades Visitor Center, 1 pm  
- Newhalem Creek Campground Amphitheater

August 10 - North Cascades Visitor Center, 1 pm  
- Newhalem Creek Campground Amphitheater

- Centennial Andy Porter Photography Program - August 21

Join outdoor photographer Andy Porter on a photo tour to discover some of the most remote (and not so remote!) corners of North Cascades National Park. Andy lives in the North Cascades and has hiked almost every trail in the park. His pictures have been published in numerous local and national publications and the scenery is sure to not disappoint. Meet at the Colonial Creek Campground Amphitheater.

## September

---

- Centennial Andy Porter Photography Program - September 5

Join outdoor photographer Andy Porter on a photo tour to discover some of the most remote (and not so remote!) corners of North Cascades National Park. Andy lives in the North Cascades and has hiked almost every trail in the park. His pictures have been published in numerous local and national publications and the scenery is sure to not disappoint.
