

Skagit Valley Provincial Park

North Cascades National Park Service Complex

Interpretive Ranger Programs

Friday

9 pm Evening Program– A Bear’s Journey

Where: International Point Amphitheatre

The Biodiversity of the Skagit Valley provides ideal habitat for large mammals like bears to thrive. Join us on a bear’s journey through the changing seasons of the North Cascades.

Saturday

10 am Jerry’s Ranger/Junior Ranger Program – Camo Critters

Where: International Point Amphitheatre, 45-minute program

Did you know that some animals can hide in plain sight? Join the rangers to find out what you may have been missing on the trails and around your campsite.

5 pm Nature Talk – Pond Ecology

Where: Winnebago Flats camping area (North Cascades NP)

Join a special guest presentation by Hope Mountain Centre for Outdoor Learning for an up-close look at some of the smaller critters living on the edges of Ross Lake.

9 pm Evening Program – Forests, Fungus and Flying Squirrels

Where: International Point Amphitheatre

Come join a special guest presentation by Hope Mountain Centre for Outdoor Learning to learn about the amazing flying squirrel and the secret connections that tie it to the health of the forest, owls and even you.

Sunday

10 am Jerry’s Ranger/Junior Ranger Program – I Spy – Magnify!

Where: International Point Amphitheatre, 45-minute program

Ever look at the world close up? Come discover the little things in life, magnified! Together we will magnify plants, animals and other objects to see the details we often miss.

1 pm Nature Talk – Fish Scales and Tales

Where: Winnebago Flats camping area (North Cascades NP)

Fishing is one of our most popular activities here at Ross Lake. So, how well do you know your fish? Join the rangers to learn more about the various scaled inhabitants of the lake and the surrounding rivers and streams. Bring your chairs.

9 pm Video – “America’s Best Idea”

Where: International Point Amphitheatre, 45-minute film

Join the Rangers for a viewing of “America’s Best Idea” by documentary filmmaker Ken Burns. This preview for the PBS mini-series exhibits stunning scenery and shares inspiring personal stories about various US National Parks.
