Dear Ms. Shull:

The **Lodi Downtown Historic District** (NRIS # 08000980), located in Lodi, Columbia County, Wisconsin, was determined eligible for listing due to owner objection on October 10, 2008. In 2008, four of the original seven property owners submitted a notarized objection.

In recent years, owners have expressed an interest in having the objection lifted. On September 26, 2013, Daina Penkiunas attended a meeting in Lodi to discuss the district. All property owners, or a representative of an owner, were present at the meeting. On October 16, 2013, our office received a notarized lifting of an objection (enclosed). With this document, the majority of owners no longer object and we request that the district be listed in the National Register of Historic Places.

If you have any questions or require additional information, please contact Daina Penkiunas of my staff at (608) 264-6501 or daina.penkiunas@wisconsinhistory.org.

Sincerely,

Jim Draeger
