Re: Additional documentation, C. S. Norton Mansion, Lawrence County, Indiana

Dear Ms. Shull,

Enclosed is additional documentation for the C.S. Norton Mansion in Bedford, Lawrence County, Indiana. The house was listed on the National Register of Historic Places on June 22, 1976.

The nomination states that "Clint and Kate Norton, working with architects, designed their new home," which is likely not inaccurate. However, researchers in New Albany and Bedford, Indiana have uncovered new evidence that Milton C. Pritchett was the architect of the Norton Mansion.

In light of the new information, please change the name in the builder/architect blank to read "Pritchett, Milton C." Also please add the following entry to the bibliography:  
"Architect of Bedford Buildings Succumbs to Heart Attack," Bedford Daily Mail, January 23, 1939, unknown page number. There are no further changes to the nomination, and the property remains much as it was when listed.

Please address any questions you or your staff may have about this nomination to my National Register staff, Paul Diebold, Frank Hurdis, or Holly Tate.

Sincerely,

A handwritten signature in blue ink, appearing to read "MK Zoll".

Deputy State Historic Preservation Officer
