Dear Mr. Loether:

Re: Address changes for properties listed on the NRHP

As we digitize our inventory of historic resources, we are discovering discrepancies in property addresses due to renumbering, changing the address to a side street that abuts the parcel, or assigning a precise address where none had existed. In some cases, property owners have notified us of an incorrect address. We are, therefore, writing to request technical corrections in the National Register records for the following:
