RE: Delisting of Buckmeadow Plantation, East Carroll Parish, LA

Dear Mr. Gabbert:

The purpose of this letter is to notify you of our intent to delist the above property from the National Register of Historic Places. Originally listed on the Register on 9/15/1983, the above property was demolished over the summer of 2015. Per 36 CFR 60, Sec. 60.15 (a)(1), we are requesting that the above property be officially delisted based on the fact that the property has ceased to meet the criteria for listing in the National Register because the qualities which caused it to be originally listed have been destroyed. To support this claim, we have included a letter from the property owner's lawyer confirming that the property was destroyed. The boundary of the property was 10' around each side of the house and the land was cleared for more farm land. I made a site visit in August of 2014 at which time I was informed it was going to be demolished. They wanted to delist it based on a loss of integrity at that time, but I did not believe there was a loss of integrity based on the architectural features that remained. Now that it is demolished and the land disturbed, the property does not appear to be eligible under Criterion D.

We have notified the property owner and the chief elected official and have included copies of those letters with this submission. No responses were received.

If you have any questions concerning our request, please contact our National Register Coordinator, Jessica Richardson via email at jrichardson@crt.la.gov or by phone at 225-219-4595.

Sincerely,

Phil Boggan
