

# Ocmulgee Mounds National Historical Park Amphibian Checklist

Checklist provided by NPSpecies  
and iNaturalist

## Frogs and Toads

Scientific Name	Common Names	Occurrence in the Park
<i>Acris crepitans</i>	Northern Cricket Frog	Present
<i>Acris gryllus</i>	Southern Cricket Frog	Present
<i>Anaxyrus americanus</i>	American Toad	Present
<i>Anaxyrus fowleri</i>	Fowler's Toad	Present
<i>Anaxyrus terrestris</i>	Southern Toad	Present
<i>Gastrophryne carolinensis</i>	Eastern Narrowmouth Toad	Present
<i>Hyla avivoca</i>	Bird-voiced Treefrog	Present
<i>Hyla avivoca ogechiensis</i>	Eastern Bird-voiced Treefrog	Present
<i>Hyla chrysoscelis</i>	Cope's Gray Treefrog	Present
<i>Hyla cinerea</i>	Green Treefrog	Present
<i>Hyla squirella</i>	Squirrel Treefrog	Present
<i>Lithobates catesbeianus</i>	American Bullfrog, Bullfrog	Present
<i>Lithobates clamitans</i>	Green Frog	Present
<i>Lithobates sphenoccephalus</i>	Southern Leopard Frog	Present
<i>Pseudacris feriarum</i>	Southeastern Chorus Frog, Upland Chorus Frog	Present
<i>Pseudacris nigrita</i>	Southern Chorus Frog	Present
<i>Pseudacris crucifer</i>	Spring Peeper	Present
<i>Pseudacris ornate</i>	Ornate Chorus Frog	Present

## Salamanders

Scientific Name	Common Names	Occurrence in the Park
<i>Ambystoma opacum</i>	Marbled Salamander	Present
<i>Amphiuma means</i>	Two-toed Amphiuma	Present
<i>Desmognathus auriculatus</i>	Southern Dusky Salamander	Present
<i>Desmognathus fuscus</i>	Dusky Salamander	Present
<i>Eurycea cirrigera</i>	Southern Two-lined Salamander	Present
<i>Eurycea guttolineata</i>	Three-lined Salamander	Present
<i>Necturus punctatus</i>	Dwarf Waterdog	Probably Present
<i>Plethodon glutinosus</i>	Northern Slimy Salamander	Present

<b>Scientific Name</b>	<b>Common Names</b>	<b>Occurrence in the Park</b>
<i>Plethodon ocmulgee</i>	Northern Slimy Salamander, Slimy Salamander	Present
<i>Pseudotriton ruber</i>	Red Salamander	Present
<i>Pseudotriton ruber vioscai</i>	Southern Red Salamander	Present
