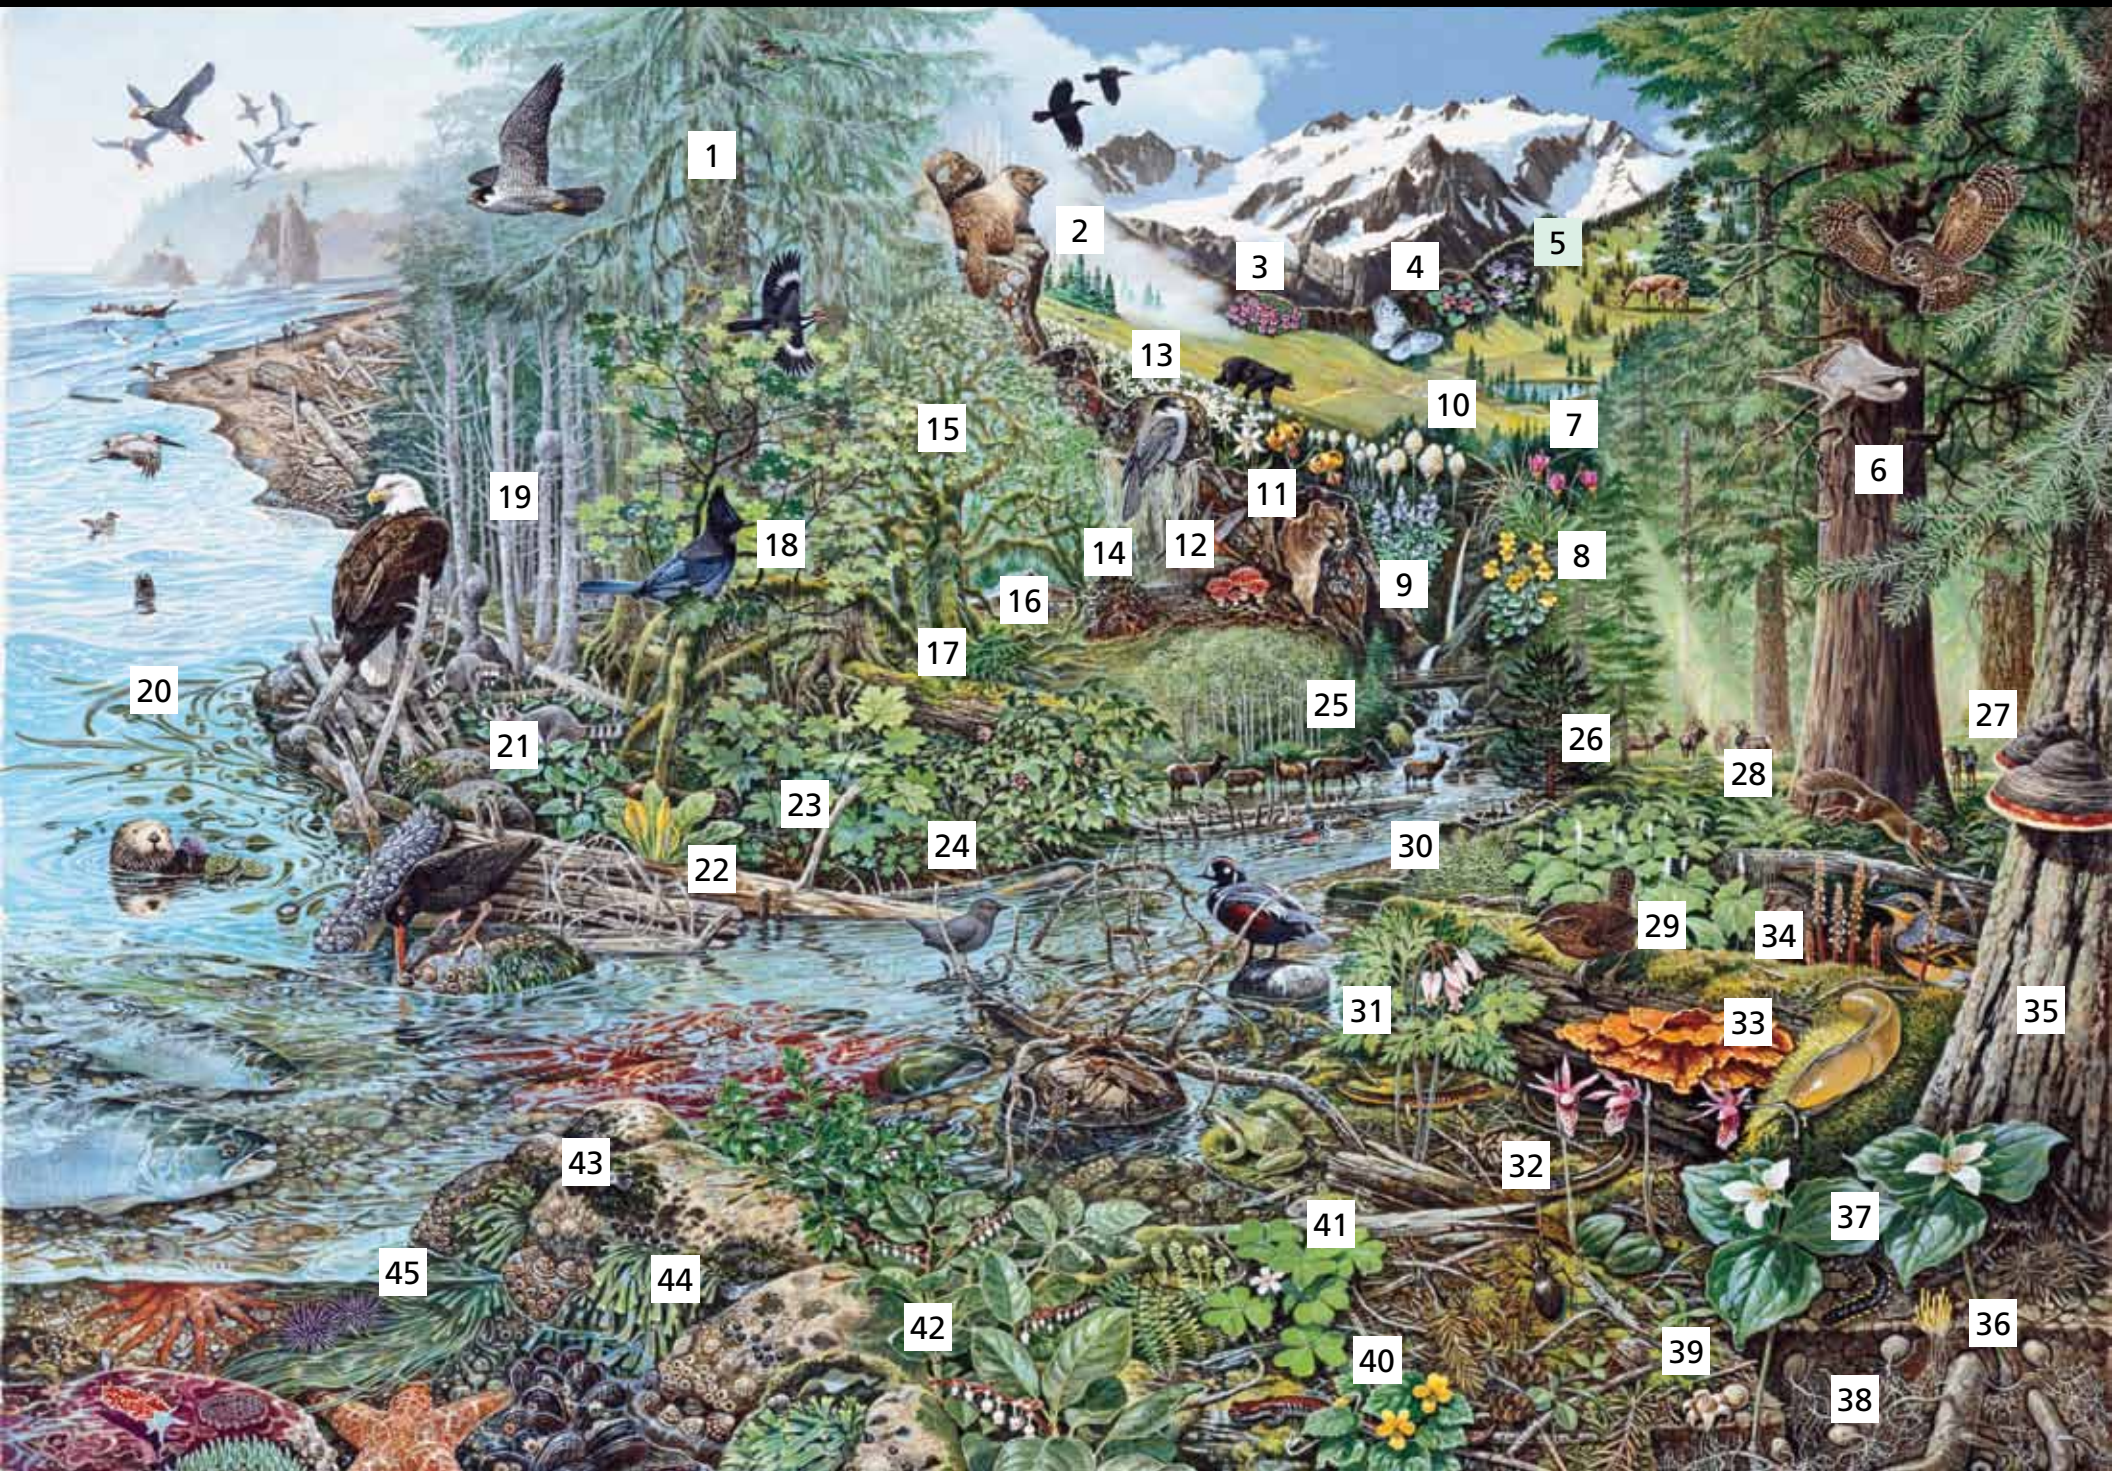
# Plants in the Olympic National Park



# Plants in the Olympic National Park

1 Sitka spruce
*Picea sitchensis*

2 Subalpine fir
*Abies lasiocarpa*

3 Smooth douglasia
*Douglasi laevigata*

4 Flett's violet
*Viola flettii*

5 Piper's bellflower
*Campanula piperi*

6 Western redcedar
*Thuja plicata*

7 Shooting star
*Dodecatheon pulchellum*

8 Common monkeyflower
*Mimulus guttatus*

9 Broadleaf lupine
*Lupinus latifolius*

10 Beargrass
*Xerophyllum tenax*

11 Columbia lily
*Lilium columbianum*

12 Fly amanita
*Amanita muscaria*

13 Avalanche lily
*Erythronium montanum*

14 Old man's beard lichen
*Usnea sp.*

15 Big-leaf maple
*Acer macrophyllum*

16 Oregon selaginella
(epiphytic: hanging from branches)
*Selaginella oregana*

17 Licorice fern
(epiphytic: hanging on maple trunk)
*Polypodium glycyrrhiza*

18 Vine maple
*Acer circinatum*

19 Sitka spruce – with burls
*Picea sitchensis*

20 Giant kelp
*Macrocystis pyrifera*

21 False lily-of-the-valley
*Maianthemum dilatatum*

22 Skunk cabbage
*Lysichitum americanum*

23 Devil's club
*Oplopanax horridus*

24 Salmonberry
*Rubus spectabilis*

25 Red alder
*Alnus rubra*

26 Pacific yew
*Taxus brevifolia*

27 Red belted polypore
*Fomitopsis pinicola*

28 Western sword fern
*Polystichum munitum*

29 Vanillaleaf
*Achlys triphylla*

30 Western horsetail
*Equisetum arvense*

31 Pacific bleeding heart
*Dicentra formosa*

32 Fairy slipper
*Calypso bulbosa*

33 Chicken of the woods
*Laetiporus sulphureus*

34 Pinedrops
*Pterospora andromedea*

35 Douglas-fir
*Pseudotsuga menziesii*

36 Coral fungi
*Family: Clavariaceae*

37 Pacific trillium
*Trillium ovatum*

38 Oregon white truffle
*Tuber gibbosum*

39 Earth star
*Geastrum sp.*

40 Pioneer violet
*Viola glabella*

41 Oregon oxalis
*Oxalis oregana*

42 Salal
*Gaultheria shallon*

43 Sea moss
*Endocladia muricata*

44 Rockweed
*Fucus distichus*

45 Surfgrass
*Phyllospadix sp.*
