Food Storage

Birds, rodents, bears and other common wildlife learn to search for any available food or scented item. Protect your property and help maintain healthy wildlife by securing food, dirty dishes, garbage and other smelly items. Please:

- ✓ *Store all food and scented items in your car trunk or an animal-proof food storage locker when not in use.*
- ✓ *Do not leave food, dishes, garbage or other smelly items unattended at your campsite.*
- ✓ *Keep a clean camp 24 hours a day!*

Firewood

In campgrounds where wood is not available for sale by concession services, visitors may collect dead and down wood (smaller than 6" diameter) within 100 feet of campgrounds. Wood must be collected below 3,500 feet.

Laundry and Showers

There are laundromats in most towns along Highway 101. There are no showers in park campgrounds. Find them in private or concession facilities, nearby state and county parks (Sequim Bay, Bogachiel, Dosewallips, Dungeness, Salt Creek) or the William Shore Memorial Pool, 321 E. 5th St., Port Angeles.
