

This Belongs to:

BATS ARE THE ONLY MAMMALS THAT REALLY FLY. Later. 

BATS...

-  ARE WARM-BLOODED
-  NURSE THEIR BABIES WITH MILK
-  HAVE FUR

 BATS CAN FIND THINGS (LIKE BUGS) BY BOUNCING SOUNDS OFF OF THEM. THAT'S CALLED ECHOLOCATION.

THIS BAT IS CALLED a TOWNSEND'S BIG-EARED BAT
FOR OBVIOUS REASONS 

zzzzzzzz... WHEN TOWNSEND'S BIG-EARED BATS SLEEP, THEY CURL UP THEIR EARS 

MY COMIC ABOUT BATS
MAKE YOUR OWN STORY...

Some Ideas: A day in the life- going on a trip- making a friend- looking for something- a mystery- a joke- meeting another animal or a plant- or just hanging around

IF YOU EVER SEE A BAT, DON'T PICK IT UP!
