Oregon Caves National Monument
Junior Ranger Program

Activities for ages 4-5

CHICKAREE

An Activity Book for children who are too small to go on a full cave tour at Oregon Caves National Monument.

Chickaree

INSTRUCTIONS

Finish as many projects as you can, and bring the completed book to the Visitor Center. Then you will get a Chickaree button.

Can you help the drop of water find its way from the forest to the cave. Draw the correct route with a pencil or crayon to show the drop how to get there.

Put an x through the pictures of animals that do not live in caves.

bat

deer

rabbit

vulture

lizard

woodrat

butterfly

ANSWER: The only animals that might use the cave as a home are woodrats and bats.

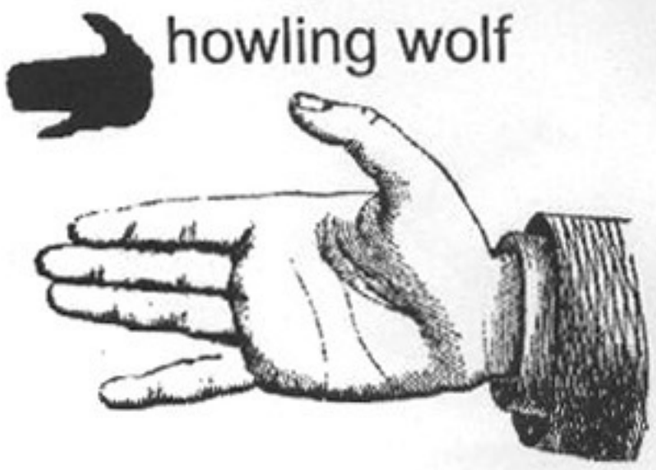
Shadow Art

Find a sunny place and use your hands to make shadows of these animals

snake

rabbit

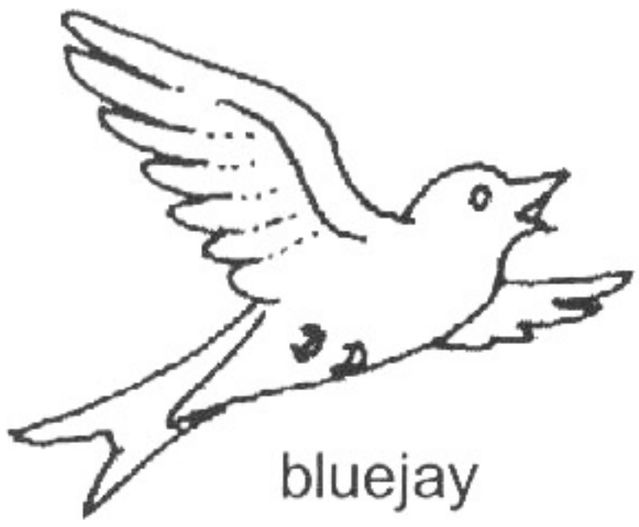
wolf



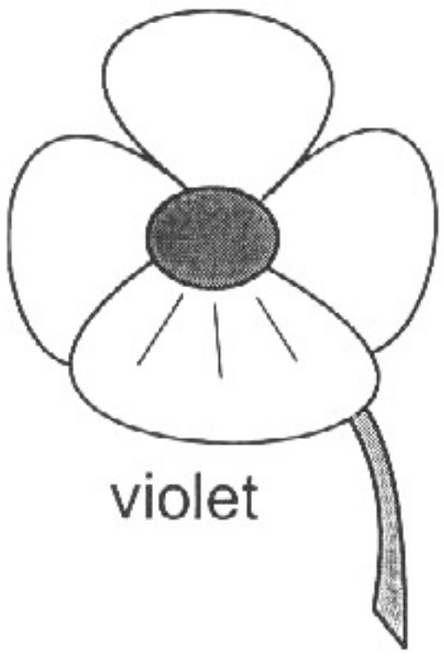
howling wolf

What state is your home in. Color that state blue.
Put a green **X** where Oregon Caves is located.

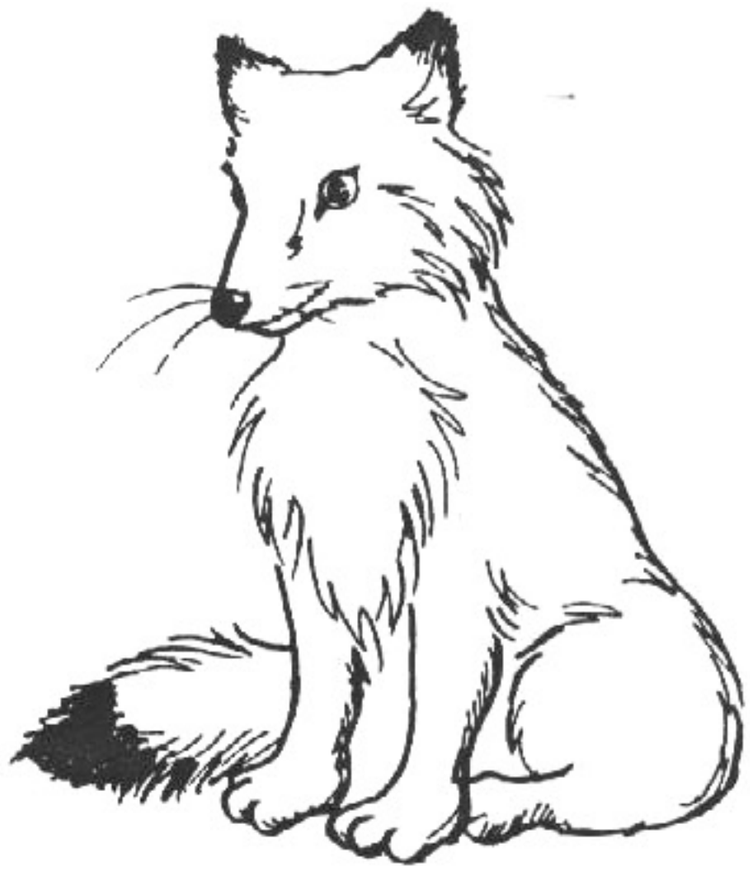
You must listen to the names of these animals & plants to know what color crayon you should use to color them.



bluejay



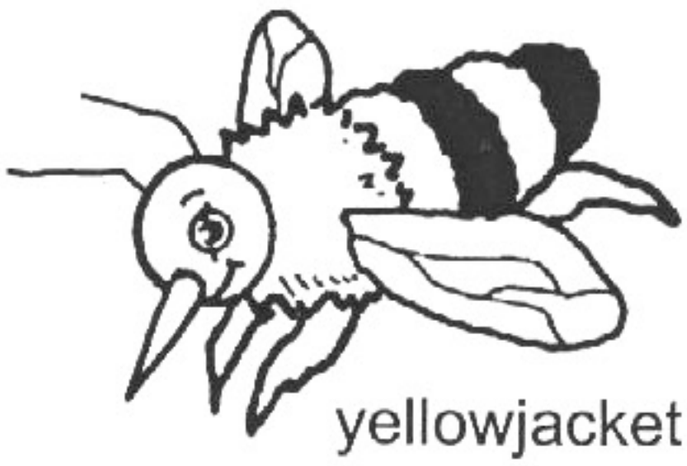
violet



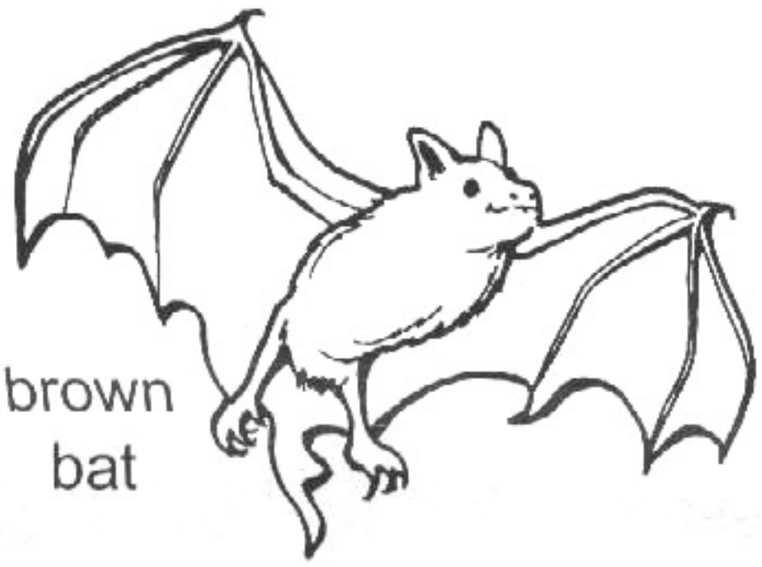
red fox

gray owl

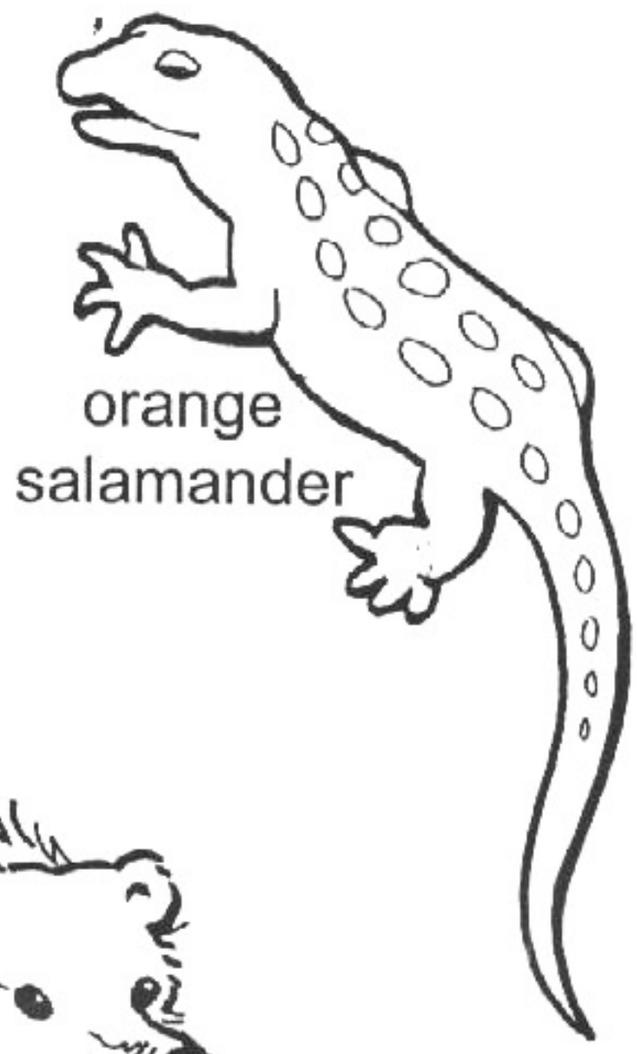
evergreen



yellowjacket



brown bat



orange salamander

black bear

This page has prints from the front feet of several animals. Trace your hand in the box and see how your hand compares. Whose is the largest? Whose is the smallest?

tree frog

chipmunk

rabbit

chickaree

fox

woodrat

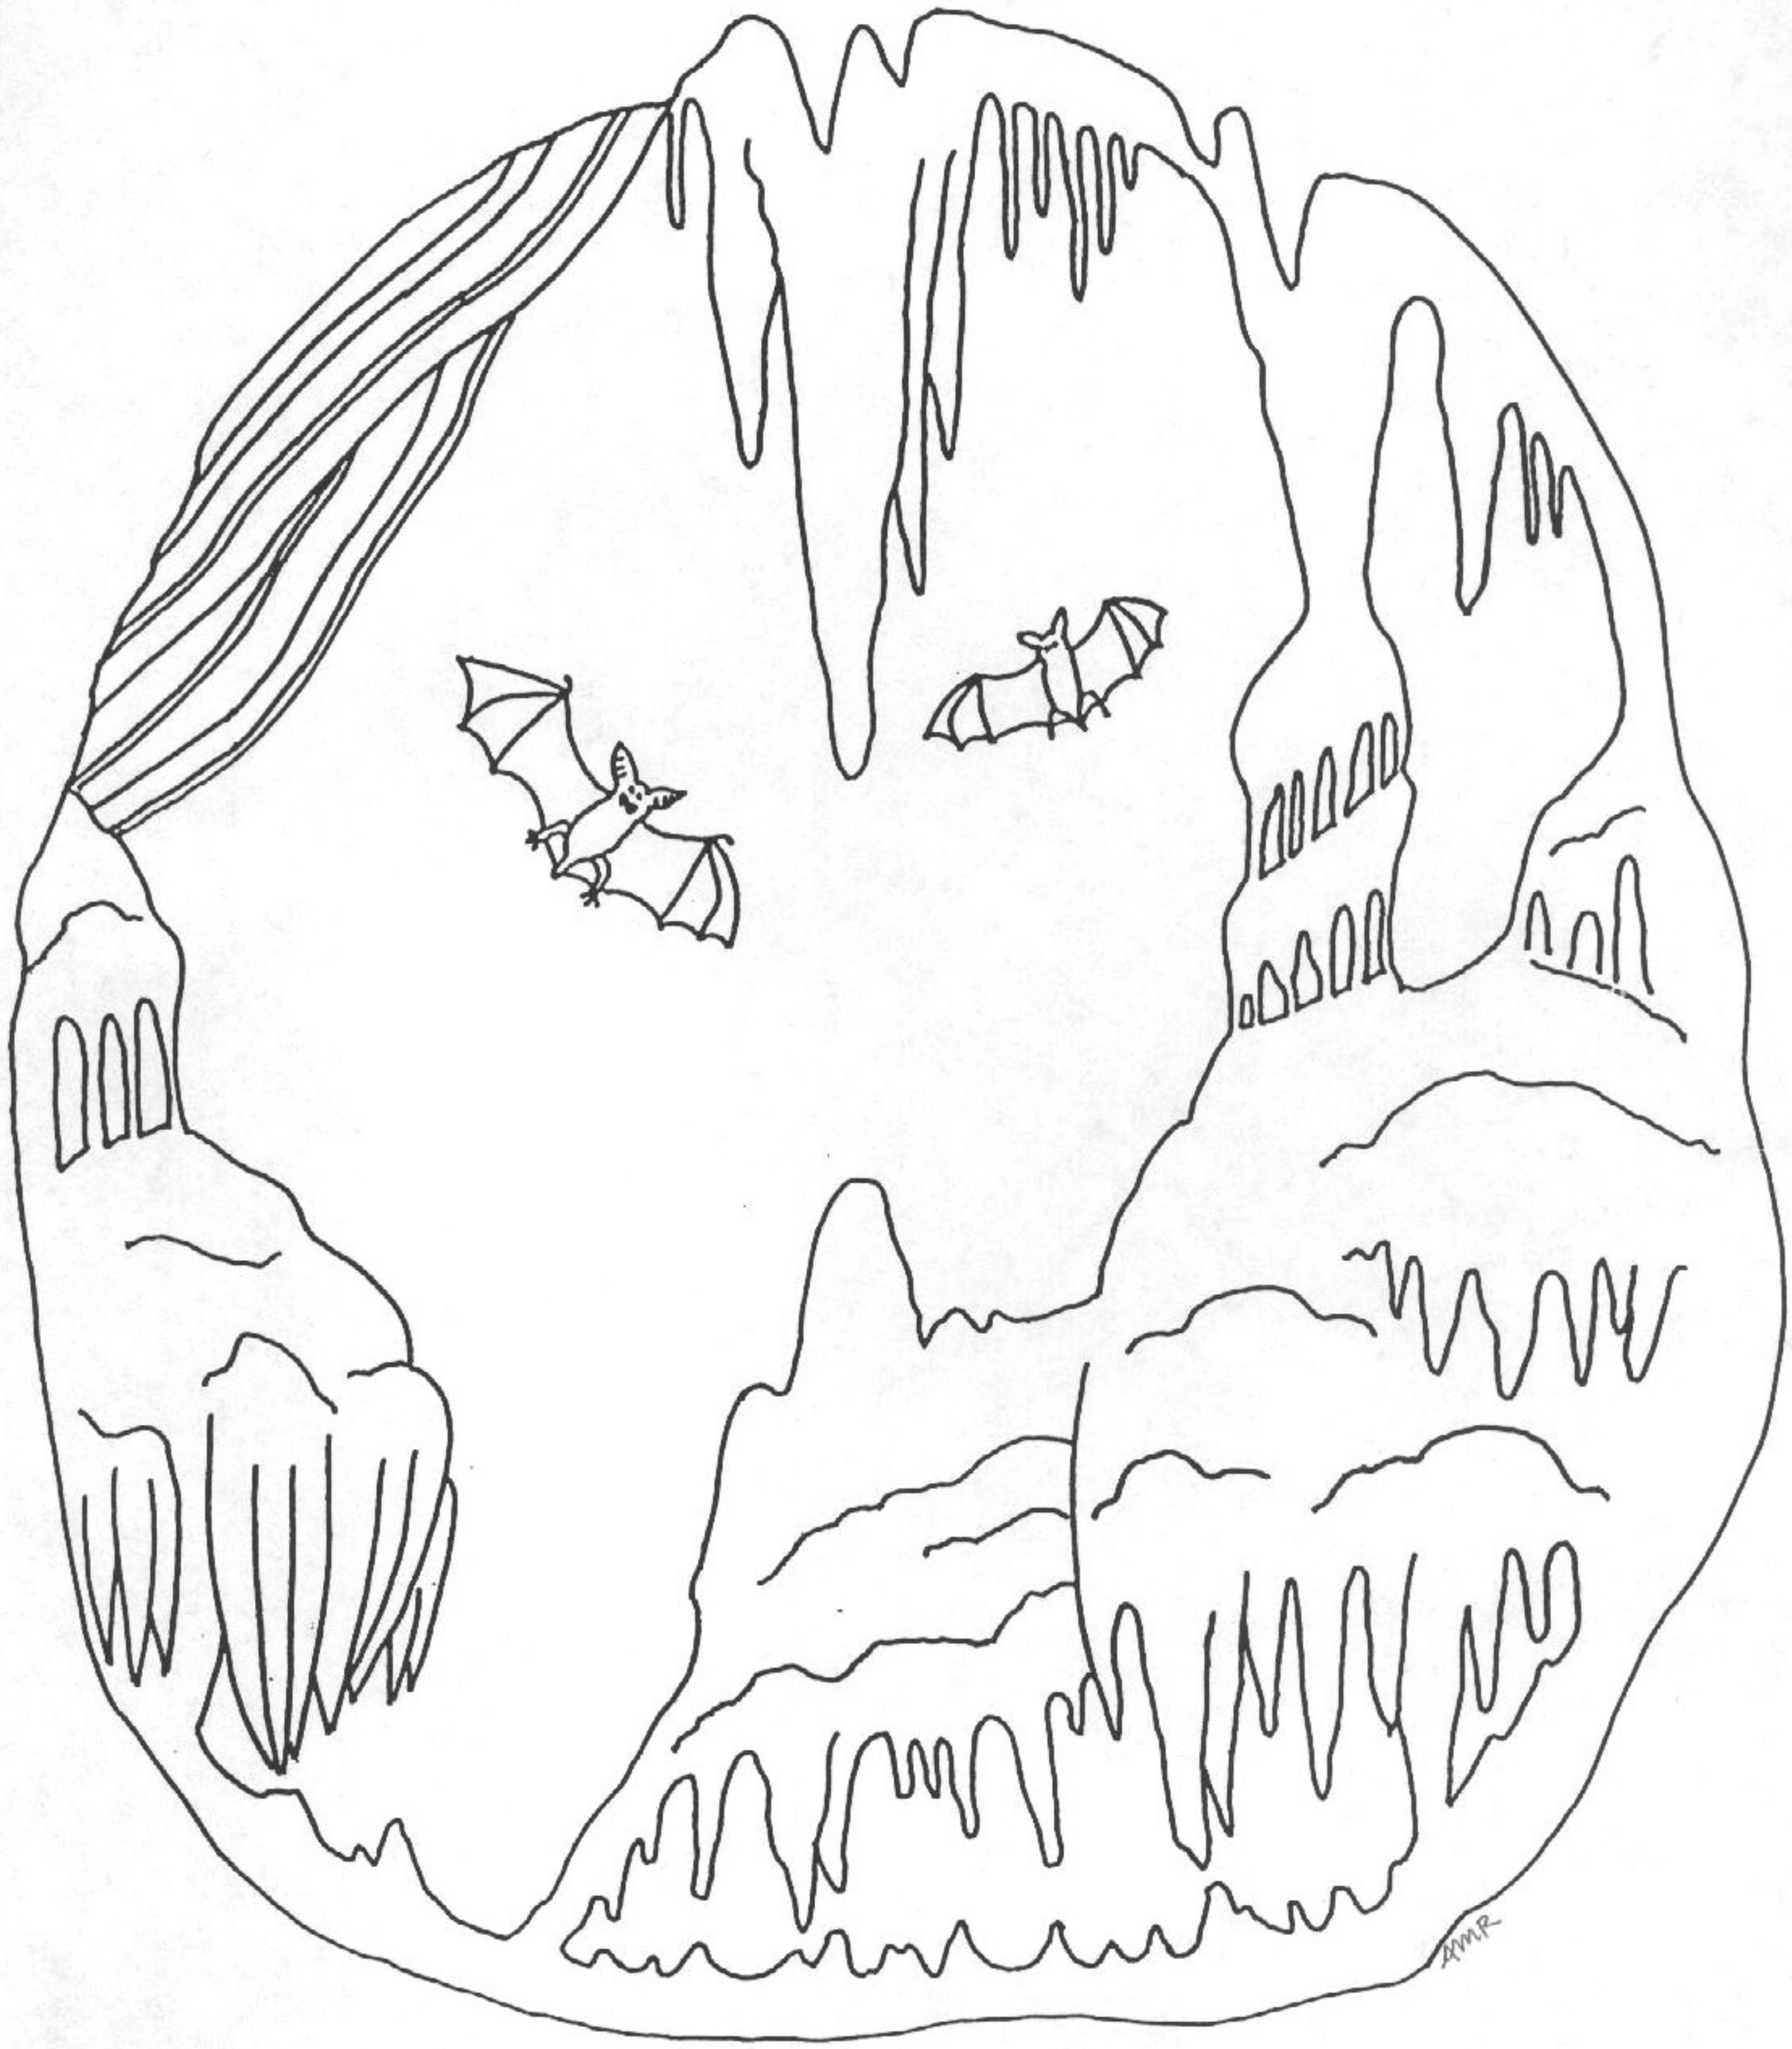
raccoon

deer

bear

mountain lion

Color inside the Cave



Things I saw at Oregon Caves National Monument
Circle the things you saw

Chickaree

Bluejay

Chipmunk

Golden Mantled Ground Squirrel

Mushrooms

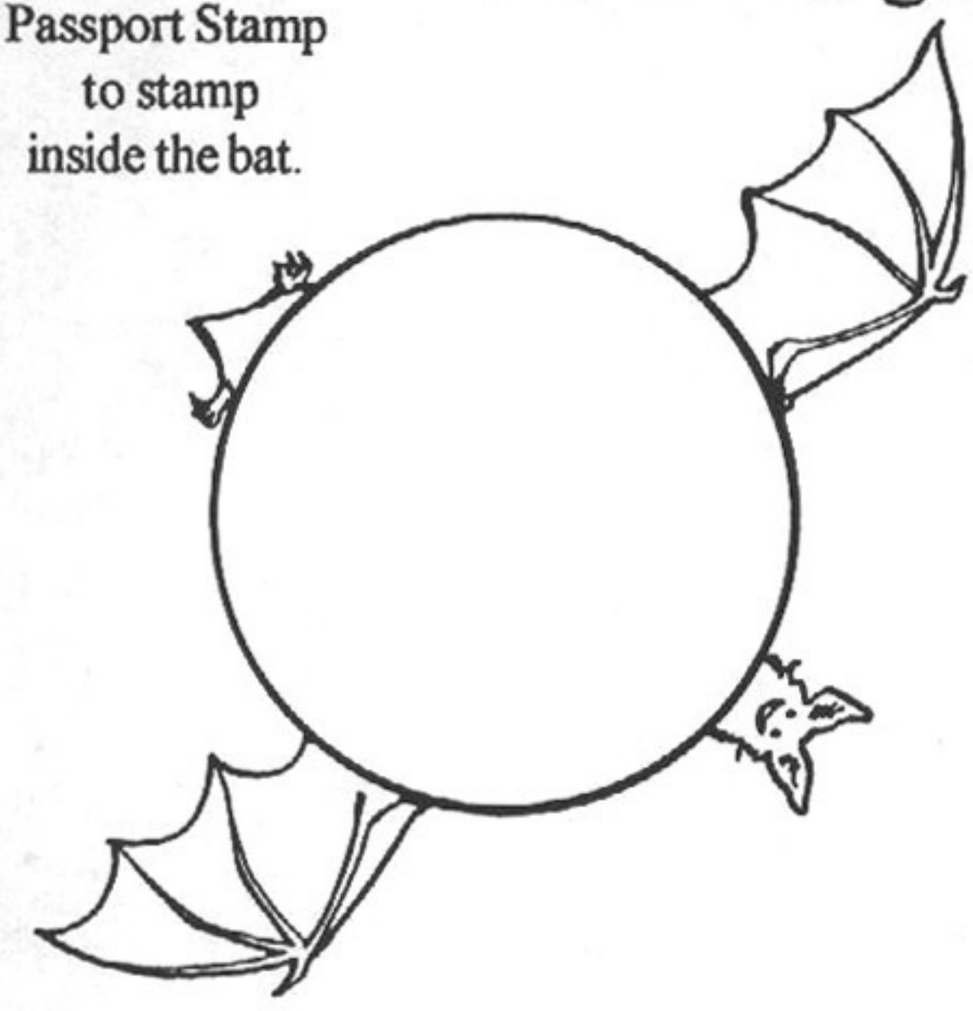
Butterfly

Pinecone

Snail

Junior Ranger Pledge

Use the Passport Stamp to stamp inside the bat.



I promise to protect the plants, animals and rocks at Oregon Caves National Monument. I promise to hike safety and to show respect for the environment wherever I go.
