

Two New Regional* Roundtables Open for Registration!

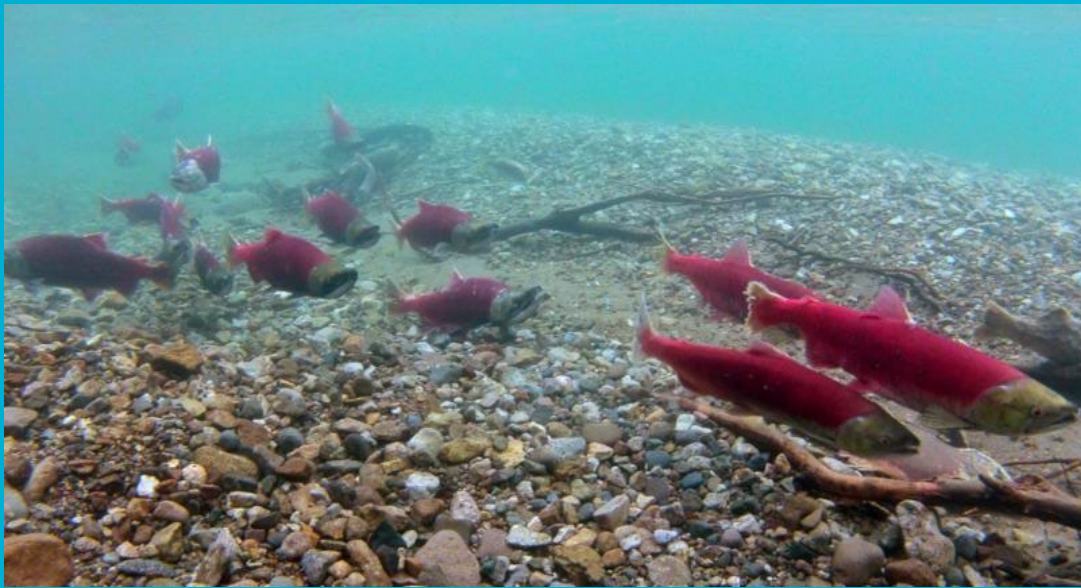

As we announced in the last newsletter, the NPS Climate Change Response Program will host a series of regional* roundtables to discuss findings from the latest National Climate Assessment (NCA4) and implications for area parks. The series kicked off last month with a focus on parks in the northeast. In case you missed it, the recorded session [can be viewed on the USGCRP website](#).

The series continues this month with sessions focused on parks in both Alaska and the Northwest. See below for details and participant registration.

The [full series schedule](#) continues to round out. Questions regarding this series can be directed to climate_change@nps.gov

**Please note that NCA4 regions are not synonymous with NPS regions. [This image](#) can help you determine the NCA4 region in which your park falls.*

Brochures still available!

Click the preview above to view the full brochure [PDF]

Our most recent printing of the Climate Change in National Parks ungrid brochure has arrived and boxes are ready to mail out to interested parks.

Contact climate_change@nps.gov to receive a box of free brochures to use in your programming or for distribution at your visitor center.

Upcoming Training: Midwest Climate Fundamentals Academy Workshop #2

ACCO

ASSOCIATION OF CLIMATE CHANGE OFFICERS

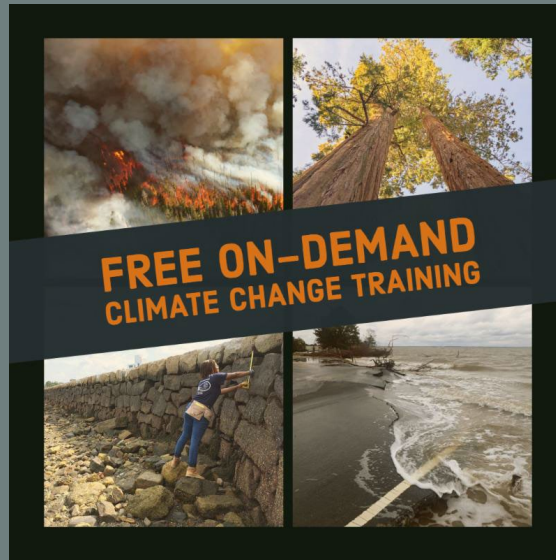

The Association of Climate Change Officers (ACCO) will host the second workshop of the regional Midwest Climate Fundamentals Academy series in Chicago. The Climate Fundamentals Academy is a two-part series of in-person training workshops. Through a cohort learning process and interactive exercises, participants discover how to better incorporate climate change strategies into planning and operations.

Workshop #2 will take place in Chicago on May 21 & 22. NPS employees are invited to attend Climate Fundamentals Academy Workshops free of charge, through a standing agreement between the NPS Climate Change Response Program and the ACCO. Full details and registration information are available through [the Common Learning Portal](#).

Supervisory approval is required, and any associated travel will be paid by the benefiting account. This training opportunity is open to all segments of the NPS workforce. Available seats will be awarded on a first-come, first-serve basis, so early registration is strongly recommended.

For more information, please contact: Larry Perez, 970-267-2136.

REGISTER NOW

The Climate Change Response Program invites interested NPS employees, contractors, and volunteers to enjoy unlimited access to the Association of Climate Change Officers (ACCO) [library of on-demand and live online training](#) FREE for one full year. This opportunity affords participants unparalleled flexibility to customize training according to their needs and work around busy schedules.

Availability is limited and will be awarded strictly on a first-come, first serve basis. For instructions on how to register for this opportunity, please contact Larry Perez at larry_perez@nps.gov.
