Going North on the Capital Beltway, I-95/495:
Make a right at the light onto Oxon Hill Road (MD 414). At the light, cross over Indian Head Highway (MD 210), staying on Oxon Hill Road. Instead of following the road as it veers towards the left, go through the construction barrels and travel over the bridge. Once you cross over the bridge, make a left into the park.

Going South on the Capital Beltway, I-95/495:
Make a left at the light onto Indian Head Highway (MD 210). Take the first right hand turn onto Oxon Hill Road (MD 414). Instead of following the road as it veers towards the left, go through the construction barrels and travel over the bridge. Once you cross over the bridge, make a left into the park.
