Ozark National Scenic Riverways Announces Rehabilitation of Hickory River Access

Van Buren, MO – The 2011 spring flooding damaged the Hickory parking and river access on the Current River. Rehabilitation of this area has begun.

The river access and parking areas are aligned to avoid confusion, lessen congestion, and maintain an unobstructed shoreline. The day use areas are signed to provide clear access to launching watercraft. Work is ongoing toward completion of site improvement.

For more information, phone (573) 323-4236 between 8:00 am and 4:30 pm, or visit the park's website at www.nps.gov/ozar.

Ozark National Scenic Riverways preserves the free-flowing Current and Jacks Fork Rivers, the surrounding natural resources, and the unique cultural heritage of the Ozark people.
