

APPENDIX A

APPENDIX A

LAND PATENTS ISSUED IN THE VICINITY OF BADLANDS NATIONAL PARK (1900 to 1955)

Introduction

This appendix provides the names of those individuals who patented the federal lands located between 1900 and 1955 within Townships 1-4 South, Ranges 13-17 East in Pennington County and Townships 2-4 South, Ranges 18-19 East, in Jackson County. Those townships encompass the North Unit of Badlands National Park, plus lands immediately adjacent to it. It must be noted, that no comparable data is available for patented parcels in the South Unit or the Palmer Creek Unit of the Park. When a single claim covers multiple sections of land, a separate line is provided for each section. Note that most of the claims cover only a portion of the listed section, and most sections therefore have multiple claimants. The patent data do not provide specific information on the location of the farmsteads or ranch houses.

The data presented in this appendix are available online at www.glorerecords.blm.gov/PatentSearch. This website also identifies the numbers of acres patented, the authority under which the land was claimed, and a complete legal description for each land patent.

Table A-1: Jackson County Homestead Patents to 1955

Patentee	Accession / Serial Number	Issue Date	Legal Description
ALWARD GEORGE P	42019	1/21/1909	20S 19E 15
