

# TABLE OF CONTENTS

LIST OF FIGURES.....	vii
LIST OF TABLES AND MAPS.....	xv
PREFACE.....	xvii
ACKNOWLEDGMENTS.....	xix
INTRODUCTION .....	1
Eisenhower NHS Overview.....	1
Purpose of Report.....	4
Methodology.....	4
Organization of Report .....	5
CHAPTER 1: RECORD OF LAND OWNERSHIP, CA. 1749 – 1950.....	7
Early Records, ca. 1749-1799 .....	9
Manor of Maske .....	9
Farms #1 and #2: Quintain Armstrong.....	11
Farm #3: John Murphy .....	12
Clement Redding Farm: Willoughby Winchester / Thomas Douglas .....	13
Subdividing the Landholdings, 1800-1859.....	13
Farm #1: Quintain Armstrong, Jr., et al.....	13
Farm #2: Isaac Armstrong, et al.....	14
Farm #3: Daniel Murphy, et al.....	15
Clement Redding Farm: Hugh McGaughy / David Sandoe.....	15
Civil War and Effects, 1860-1899.....	17
Farm #1: John Biesecker, et al .....	18
Farm #2: Stewart, et al.....	18
Farm #3: Pitzer Family.....	18
Clement Redding Farm: David Sandoe.....	19
Early 20th Century, 1900-1950 .....	19
Farm #1: Allen Redding.....	19
Allen Redding Purchase .....	19
Farm Operations .....	21
Dairy and Poultry .....	21
Agriculture .....	23
Redding Improvements.....	23
Buildings and Structures.....	23
Water Supply.....	24
Ornamental Vegetation.....	25
Farm #2: Beard Family, et al.....	25
Farm #3: William Redding, Bernard Redding .....	25
Clement Redding Farm: Joseph Redding, Clement Redding.....	26

CHAPTER 2: THE EISENHOWERS AND FARM #1, 1951-1969..... 41

- Acquisition and Renovation ..... 43
  - The Eisenhowers Purchase Farm #1 ..... 43
  - General Arthur Nevins as Farm Manager ..... 45
  - Winning the Presidency ..... 47
  - New Home Construction..... 48
  - The Farm as a Home, Retreat and Showplace..... 51
  - John and Delores Moaney..... 53
  - Retirement Years..... 55
- Farm #1 Ornamental Landscape ..... 57
  - Initial Renovation Ideas ..... 57
  - Chief Walter A. West ..... 58
  - Area 1: Entry Gate and Drive ..... 60
    - Renovation ..... 60
    - Fencing..... 64
    - Entry Drive Allee ..... 65
    - Additional Plantings..... 67
    - Windbreak ..... 71
    - Helipad..... 72
    - Small-scale Features ..... 72
      - Concrete Bench and Gold Sundial..... 72
      - South Guardhouse..... 73
      - Hitching Post..... 74
      - Security Lighting ..... 74
      - Stone Retaining Wall ..... 74
      - Walkways ..... 75
  - Area 2: Main House ..... 76
    - Lawns ..... 76
    - Vegetation at Front Entry/North and South Sideyards ..... 77
    - Sunporch and Rear Terrace ..... 80
    - South Lawn and Drying Yard ..... 83
    - North Flower Garden ..... 85
    - East Rose Garden ..... 87
    - Barbecue/Teahouse ..... 88
      - General Eisenhower at the Grill..... 88
      - Construction of the Barbecue/Teahouse..... 89
      - Landscaping the Site ..... 91
    - Putting Green ..... 93
      - General Eisenhower Golfs at Gettysburg ..... 93
      - Golf at the Farm ..... 94
      - Using the New Green ..... 95
      - Green Maintenance ..... 96
    - Trees in East Lawn..... 97
    - Flagpole ..... 98
    - Small-scale Features ..... 98
      - Basketball Net..... 98
      - Bird-related Features ..... 98
      - Fencing ..... 100
      - Lanterns ..... 100
      - Patio Furniture ..... 100
      - Railroad Bells..... 100

Sundial .....	101
Wooden Planters .....	102
Area 3: Barn .....	104
Barn Renovations .....	104
Vegetation Around Barn .....	107
Guesthouse .....	106
Storage Building .....	108
Adenauer Rose Garden .....	109
Quonset Hut .....	110
Small-scale Features .....	110
Air Conditioning Compressor .....	110
Bird Coop .....	111
Dog Pens .....	111
Fire Hydrant .....	112
Gas Pumps .....	112
Retaining Wall .....	112
Walkways .....	112
Well .....	113
Area 4: South Gardens .....	114
Greenhouses .....	114
Vegetable Gardens .....	115
South Rose Garden .....	116
Playhouse .....	117
Nut Trees .....	117
Septic System .....	117
Small-scale Features .....	117
Security Lights .....	117
Walkways .....	118
Area 5: Orchard .....	118
Area 6: Pastures and Fields .....	120
Skeet Range .....	120
Equipment Shed .....	120
Pond .....	121
Farm Animals .....	125
Horses .....	125
Other animals .....	126
Game Birds .....	127
CHAPTER 3: EISENHOWER FARMS, 1951-1969 .....	145
W. Alton Jones and Farms #2 and #3 .....	147
Privacy Issues .....	147
Purchases by W. Alton Jones .....	148
Farm #2 Purchase .....	148
Flaharty Tract Purchase .....	149
Farm #3 Purchase .....	149
Pitzer Schoolhouse Purchase .....	149
Donation of Farms #2 and #3 to the National Park Service .....	150
Eisenhower Farms Operation .....	150
Angus Show Herd, 1951-1966 .....	150
Feeder Operation, 1967-1969 .....	153
Agriculture, 1951-1969 .....	155

Soil Improvements.....	155
Contour Farming .....	156
Irrigation.....	157
Farm Improvements .....	160
Farm Roads .....	160
Fencing .....	164
Stream Improvements.....	168
Miscellaneous Farm Items .....	169
Farm #2 Improvements .....	169
Buildings and Structures .....	170
Farm Landscape .....	172
Farm #3 Improvements .....	175
Donation of Farm #1 to the National Park Service.....	176
Clement Redding Farm: Redding Ownership .....	178
CHAPTER 4: NPS MANAGEMENT AND EXISTING CONDITIONS, 1970-2005.....	189
Early National Park Service Management.....	191
Additional Land Acquisitions.....	193
Summary of Landscape Changes and Existing Conditions .....	193
Farm #1 .....	194
Farm #2.....	196
Farm #3.....	199
Clement Redding Farm.....	200
Pitzer Schoolhouse.....	202
Smith and Rinehard Tracts.....	202
Eisenhower NHS Farming Operations.....	202
Agricultural Special Use Permits .....	202
Historic Leasing Program .....	204
Fencing.....	204
CHAPTER 5: ANALYSIS OF SIGNIFICANCE AND INTEGRITY.....	219
Analysis of Significance .....	221
National Register and National Historic Landmark Status.....	221
Areas of Significance .....	221
Integrity of the Historic Landscape .....	222
Evaluation of Landscape Characteristics .....	223
Spatial Organization, Topography, and Response to Natural Features and Systems.....	224
Land Use and Cultural Conditions .....	224
Agricultural Use.....	224
Domestic Use .....	225
Utilitarian Use.....	225
Vegetation .....	226
Ornamental Plantings.....	226
Functional Vegetation.....	226
Natural Vegetation .....	227
Views .....	230
Circulation .....	230
Vehicular Circulation .....	231
Pedestrian Circulation.....	231
Other Circulation .....	231

Buildings, Structures, and Cluster Arrangements .....	234
Small-scale Features and Utilities .....	238
The Farm Landscape .....	238
The Domestic Landscape .....	238
Fences .....	238
Archeology.....	244
Summary of Analysis and Evaluation .....	245
BIBLIOGRAPHY .....	247
Books and Published Sources .....	249
Reports and Unpublished Materials.....	249
Maps, Plans, and Drawings.....	249
Interviews.....	250
APPENDICES .....	253
Appendix A: 1955, 1967, 1969 Historic Plans .....	255
Appendix B: Tree/Shrub/Flower Donations .....	263
Appendix C: Vegetation Survey for Farm #1 .....	283
Appendix D: 1960 Soil Conservation Plan.....	285
Appendix E: 1980 Soil Conservation Plan .....	303
Appendix F: 1983 Fence Details .....	327

# LIST OF FIGURES

## INTRODUCTION

Figure 0.1. Regional map.

Figure 0.2. Vicinity map.

Figure 0.3. Site map.

## CHAPTER 1

Figure 1.1. The Manor of Maske as shown on a modern street map of Adams County.

Figure 1.2. Boundaries of the original Winchester, Armstrong, and Murphy warrants.

Figure 1.3. 1863 Cope Map indicating line of breastworks across the eastern boundaries of the present-day Eisenhower NHS.

Figure 1.4. Close examination of the 1868 Warren Map reveals landscape features extant during this period, including farm buildings, orchards, and fields.

Figure 1.5. Circa 1900 Mattern Map.

Figure 1.6. Southwest view of the Allen Redding farm, formerly the Hemler farm, 1952. (Lane Studios, EISE NHS files, #2885)

Figure 1.7. Allen Redding barn from northwest with the farmhouse to the right, ca. 1952. (Henry Blatner, EISE NHS files, #2878)

Figure 1.8. Allen Redding farmhouse from north, ca. 1952. (A. M. Taylor, EISE NHS files, #1126.)

Figure 1.9. Allen Redding farmhouse from south, ca. 1952. (Lane Studio, EISE NHS files, #2874)

Figure 1.10. Holstein dairy cattle waiting for milking in the Redding barn, ca. 1952-54. (Henry Blatner, EISE NHS files, #2532)

Figure 1.11. Chicken house and shed on the Redding farm, southeast of the barn, ca. 1952-53. (EISE NHS files, #3059)

Figure 1.12. Milkhouse on the north end of the Redding barn, 27 January 1953. (Lane Studio, EISE NHS files, #2877)

Figure 1.13. Wooden fence at entry gate, looking south, 1 August 1954. (US Navy, EISE NHS files, #2928)

Figure 1.14. General Eisenhower poses for reporters atop a wooden barnyard fence soon after his purchase of the Redding farm, 13 June 1952. (Lane Studio, EISE NHS files, #2221)

Figure 1.15. Split-rail fence at Redding barn, ca. 1952. (Henry Blatner, EISE NHS files, #2878)

Figure 1.16. General Eisenhower and Arthur Nevins on the farm, post and barbed wire fence in foreground, 13 June 1952. (Paul Roy, EISE NHS files, #1084)

Figure 1.17. Hedge and gate along western facade of Redding house, ca. 1952. (EISE NHS files, #2898)

Figure 1.18. Picket fence surrounding well with Ivan Feaster at pump, ca. 1952. (Henry Blatner, EISE NHS files, #2882)

## CHAPTER 2

Figure 2.1. The Redding farm soon after the Eisenhowers' purchase, ca. 1952. (Gettysburg Times, Lane Studio, EISE NHS files, #2873)

Figure 2.2. The Redding farmhouse, western facade, ca. 1952. (Gettysburg Times, AP, EISE NHS files, #1471)

Figure 2.3. Arthur and Ann Nevins in the living room of the Redding farmhouse, ca. 1952. (Arthur Nevins, EISE NHS files, #1552)

Figure 2.4. Ivan Feaster on tractor in the farmyard, 27 January 1953. (Lane Studio, EISE NHS files, #2879)

Figure 2.5. Delegates to the GOP National Convention picnic at Farm #1, 13 June 1952. (Paul Roy, Gettysburg Times, EISE NHS files, #2227)

Figure 2.6. General Eisenhower and the press at the GOP picnic, east facade of the farmhouse, 13 June 1952. (Lane Studio, EISE NHS files, #2213)

Figure 2.7. General Eisenhower inspects the farm with Ivan Feaster (left) and George Brock prior to construction, 13 June 1954. (UPI photo, EISE NHS files, #1323)

Figure 2.8. Workmen demolishing the lean-to on the south end of the Redding farmhouse, 17 November 1953. (AP Wirephoto, EISE NHS files, #2781A)

Figure 2.9. The remaining dutch oven after demolition of the house, facing southeast, January 1954. (Paul Roy, Gettysburg Times, EISE NHS files, #2788)

Figure 2.10. Boxwoods from the farmhouse were saved for later use, ca. 1954. (EISE NHS files, #3068)

Figure 2.11. Construction on new home, view toward the southeast, spring 1954. (Gettysburg Times, EISE NHS files, #2791)

Figure 2.12. Construction on new home, view toward northeast, January 1954. (Paul Roy, EISE NHS files, #1103)

Figure 2.13. Stockpiling materials near the Redding garage for use during construction, view from the south toward the barn, spring 1954. (Gettysburg Times, EISE NHS files, #2784 & #2789)

Figure 2.14. The Eisenhowers' new home nearing completion, view toward the southwest corner, 11 June 1954. (LIFE Magazine, EISE NHS files, #3424)

Figure 2.15. General and Mrs. Eisenhower admire a goose during a construction visit, summer 1954. (EISE NHS files, #2240)

Figure 2.16. General Eisenhower and W. Alton Jones visit the construction site, 11 June 1954. (LIFE Magazine, EISE NHS files, #3425)

Figure 2.17. Mrs. Eisenhower inspects the construction, 11 June, 1954. (LIFE Magazine, EISE NHS files, #3427)

Figure 2.18. General Eisenhower and Sir Winston Churchill in golf cart near the helipad on Farm #1, 6 May 1959. (UP/AP photo, EISE NHS files, #1446)

Figure 2.19. General Eisenhower confers with Phillipine President Ferdinand Marcos on the front lawn of the house, 16 September 1966. (Paul Roy, AP photo, EISE NHS files, #2497)

Figure 2.20. General Eisenhower and French President Charles de-Gaulle arrive at the Show Barn on Farm #2 in the Crosley Runabout, 24 April 1960. (EISE NHS files, #2475A)

Figure 2.21. General Eisenhower and French President Charles deGaulle inspect the Show Barn on Farm #2, 24 April 1960. (EISE NHS files, #2476)

Figure 2.22. Tents set up on the eastern lawn of Farm #1 for a GOP rally, 12 September 1956. (EISE NHS files, #3018)

Figure 2.23. Tents and tables set up for a White House staff party on the eastern lawn, 1 July 1959. (Mary Jane McCaffree, EISE NHS files, #2318A)

Figure 2.24. General Eisenhower at his easel on the sunporch, ca. 1966. (EISE NHS files, #2380)

Figure 2.25. Divisions of the Farm #1 landscape.

Figure 2.26. Horace Peaslee sketch of the proposed entry to the Eisenhower home showing formal plantings of shrubs around drive, October 1954. (Ann Whitman Files, Gettysburg Farm Series, "Construction," Eisenhower National Historic Site Library)

Figure 2.27. General Eisenhower and Walter West conversing on the rear terrace, 11 October 1958. (US Navy, EISE NHS files, #2518)

Figure 2.28. Entry gate to Farm #1, wooden fencing along Millerstown Road, aerial view toward southwest, 18 November 1966. (Wayne O'Neil, US Army, EISE NHS files, #3037)

Figure 2.29. Working on the wooden fence along Millerstown Road, view east toward West Confederate Avenue, fall 1955. (EISE NHS files, #3141)

Figure 2.30. Entry gate to Farm #1 before renovations, view south, 1 August 1954. (US Navy, EISE NHS files, #2928)

Figure 2.31. Entry gate to Farm #1 after renovations, lamps have not been installed on columns, view south, 8 December 1955. (EISE NHS files, #2929)

Figure 2.32. Entry gate to Farm #1, view south, 8 September 1967. (Lane Studio, EISE NHS files, #2827)

Figure 2.33. Entry gate to Farm #1, view north, 8 September 1967. (Lane Studio, EISE NHS files, #2826)

Figure 2.34. "Eisenhower Farms" sign and lantern on east column at the entry gates, ca. 1960. (EISE NHS files, #2156)

Figure 2.35. Detail of the original entry sign before renovations, 1 August 1954. (US Navy, EISE NHS files, #2928)

Figure 2.36. Entry gate in the early 1960s with "Private Road" sign on the fence away from the west column, left edge of photo, ca. 1961. (EISE NHS files, #2143)

Figure 2.37. Detail of "Private Road" sign adjacent to west column, 8 September 1967. (Lane Studio, EISE NHS files, #2827)

Figure 2.38. The National Historic Landmark boulder and plaque are brought by helicopter to Farm #1, November 1966. (Abbie Rowe, NPS, EISE NHS files, #2945)

Figure 2.39. Detail of the National Historic Landmark plaque, May 1969. (W. E. Dutton, NPS, EISE NHS files)

Figure 2.40. Setting the National Historic Landmark boulder and plaque at the entry gate, November 1966. (Abbie Rowe, NPS, EISE NHS files, #2946)

Figure 2.41. General Eisenhower shows the National Historic Landmark plaque to PA congressman Richard Schweiker, ca. 1967. (Lane Studio, EISE NHS files, #2763)

Figure 2.42. Hemlocks along entry drive prior to renovations of the road, view to north, ca. 1955. (Walter West collection, EISE NHS files, #EE2016)

Figure 2.43a. Norway spruce allee and post and wire fencing along entry drive shortly after installation, view to north, 8 December 1955. (EISE NHS files, #3069)

Figure 2.43b. Detail of brass plaque at the Norway spruce tree donated by the State of Oklahoma. (EISE NHS files, 3624#11J)

Figure 2.44. Norway spruce and crabapple allee along the entry drive, crabapples in bloom, view to the south, 28 April 1960. (US Navy, EISE NHS files, #2145)

Figure 2.45. Norway spruce and crabapple allee along the entry drive, crabapples in bloom, view to the north, 28 April 1960. (US Navy, EISE NHS files, #2144)

Figure 2.46. Detail of the entry gate planting from the 1955 plan, #9 & #17 are identified as flowering dogwoods, #10 & #16 are identified as white pines. (EISE NHS files)

Figure 2.47. Boris Timchenko planting plan for the entry to Farm #1, 24 June 1957. (EISE NHS files)

Figure 2.48a. Newly planted entry drive area of Farm #1, aerial view from the west, ca. 1954-55. (EISE NHS files, #3411)

- Figure 2.48b. Walter West proposed plan for lawn circle in entry drive, 14 October 1955. (EISE NHS files)
- Figure 2.49. Winter view of the entry drive with windbreak southwest of the house, aerial view toward the south, ca. 1960s. (Robert Hartley Collection, EISE NHS files, #3102)
- Figure 2.50. White House helicopter at the helipad, November 1967. (Lane Studio, EISE NHS files, #2506)
- Figure 2.51. Original location of bench and sundial in lawn circle west of house, 1 July 1955. (EISE NHS files, #3221)
- Figure 2.52. Bench and sundial were relocated by the early 1960s, 26 September 1963. (Lane Studio, EISE NHS files, #2820)
- Figure 2.53. Gold sundial. (EISE NHS files, “Gift Books”)
- Figure 2.54. Original location of guardhouse southwest of the Eisenhower home, aerial view toward northeast, spring 1955. (Lane Studio, EISE NHS files, #2990)
- Figure 2.55. Hitching post. (EISE NHS files, “Gift Books”)
- Figure 2.56. Security lighting at the front entry drive. (Photo by OCLP, 2002)
- Figure 2.57. Lawn circle west of home prior to installation of the stone retaining walls, home nearing completion, 11 December 1954. (EISE NHS files, #3144) Figure 2.51 shows retaining wall soon after installation.
- Figure 2.58. Workers installing the eastern lawn, 5 March 1955. (UPI/AP photo, EISE NHS files, #2200)
- Figure 2.59. Installation of elm with a large tree spade north of house, 4 October 1954. (Walter West collection, EISE NHS files, #1123)
- Fig. 2.60. Mrs. Eisenhower and a guest in the north lawn, large elm to the right planted in the early 1960s as a replacement for the original tree. (Barbara Eisenhower, EISE NHS files, #1367)
- Figure 2.61. Holly in front of the home, near the kitchen entry, soon after installation, 1 July 1955. (EISE NHS files, #3221)
- Figure 2.62. Only one holly extant, north tree missing, ca. 1959. (EISE NHS files, #1479)
- Figure 2.63. Two hollies present in front of home, 28 September 1963. (Lane Studio, EISE NHS files, #2820)
- Figure 2.64. Shrubs along front of home, 3 June 1955. (EISE NHS files, #1607)
- Figure 2.65. Shrubs along front of home, 6 May 1959. (New York Herald, EISE NHS files, #1609)
- Figure 2.66. Political cartoon illustrating how the Eisenhowers received many of their trees and shrubs, including this anniversary gift from the White House Staff, 1 July 1959. (Earl Chesney, EISE NHS files, #1905)
- Figure 2.67. Front of the Eisenhower home with early shrub plantings, ca. 1959. (EISE NHS files, #1479)
- Figure 2.68. Front of the Eisenhower with home shrub plantings removed, 26 September 1963. (Lane Studio, EISE NHS files, #2820)
- Figure 2.69. Front of the Eisenhower home, symmetrical plantings of boxwoods and yews flanking front door, January 1966. (Eisenhower family collection, EISE NHS files, #3440)
- Figure 2.70. Rear of the Eisenhower home prior to the sunporch addition, October 1954. (EISE NHS files, #2804)
- Figure 2.71. Rear of Eisenhower home after installation of the sunporch, November 1955. (EISE NHS files, #2129)
- Figure 2.72. Rear terrace retaining wall shortly after installation, workmen installing turfgrass, October 1954. (EISE NHS files, #2804)
- Figure 2.73. Flagstone walk on rear terrace, 1 July 1955. (EISE NHS files, #3249)
- Figure 2.74. Planting beds on rear terrace along the base of the sunporch, mid-1950s. (Walter West collection, EISE NHS files, #EE2030)
- Figure 2.75. Detail of ivy on rear terrace retaining wall, General and Mrs. Eisenhower posing for a 50th wedding anniversary photo in the garden, 27 June 1966. (AP/Lane Studio, EISE NHS files, #2415)
- Figure 2.76. Plantings of trees and shrubs define south garden area, workmen installing lawn, October 1954. (EISE NHS files, #2808)
- Figure 2.77. Windmill south of Eisenhower home, 11 December 1954. (AP/UPI, EISE NHS files, #2809)
- Figure 2.78. Well and handpump with lilacs and roses, 3 June 1955. (Abbie Rowe, NPS, EISE NHS files, #2813)
- Figure 2.79. Semicircular flower bed around old well with “L” shaped lilac hedge, south of home, aerial view from east, original photograph out of focus, 12 September 1956. (EISE NHS files, #3018)
- Figure 2.80. Semicircular flower bed removed, hedge and some small trees remaining, ca. 1959. (EISE NHS files, #1480)
- Figure 2.81. Semicircular hedge and lilacs in south lawn, 9 August 1967. (A.J. Parsonese, US Marine Corps, EISE NHS files, #3014)
- Figure 2.82. Flower garden presented to Mrs. Eisenhower from the National Capital Flower and Garden Show, flowers were used in the north flower garden, bricks were used in the barbecue/teahouse wall, 1955. (Ankers Photography, EISE NHS files, #2548)
- Figure 2.83. North flower garden, view southwest, 1 July 1955. (EISE NHS files, #3246)
- Figure 2.84. General and Mrs. Eisenhower inspect the flowers in the north flower garden, September 1956. (EISE NHS files, #3765)

Figure 2.85. Detail of shrub and flower plantings in the north flower garden soon after installation, 1 July 1955. (EISE NHS files, #3245)

Figure 2.86. East rose garden and rear terrace wall, shrubs were maintained at two feet in height, view northwest, 25 July 1956. (US Navy, EISE NHS files, #2931)

Figure 2.87. Guests on barbecue/teahouse terrace at White House staff picnic, 1 July 1959. (Mary Jane McCaffree, EISE NHS files, #2335)

Figure 2.88. Flagstone walk installed by Charlie Tressler between barbecue/teahouse and the Eisenhower home, 39th anniversary reception for General and Mrs. Eisenhower with the White House staff, 1 July 1955. (Mary Jane McCaffree, EISE NHS files, #2274)

Figure 2.89. Detail of barbecue pit, view southwest, ca. 1960s. (Springfield collection, EISE NHS files, #2851)

Figure 2.90. Detail of eagle weathervane on teahouse roof, May 1969. (W. E. Dutton, EISE files)

Figure 2.91. North elevation of teahouse/barbecue with the boxwood hedge and other vegetation no longer extant, NBC panel discussion with General Eisenhower, Melvin Laird, Gerald Ford, and John Tower, 6 June 1961. (Lane Studio, EISE NHS files, #2684)

Figure 2.92. Planting plan for barbecue/teahouse, ca. 1956. (Boris Timchenko, EISE NHS files)

Figure 2.93. Brick walk to barbecue/teahouse from rear terrace, view west, May 1969. (W. E. Dutton, EISE NHS files)

Figure 2.94. Brick walk to barbecue/teahouse from rear terrace, view northwest, May 1969. (W. E. Dutton, EISE NHS files)

Figure 2.95. North elevation of barbecue/teahouse with most original plantings no longer extant, 8 September 1967. (Lane Studio, EISE NHS files, #2825)

Figure 2.96. Sketch of putting green from the William F. Gordon Company, September 1955. (Ann Whitman Files, Gettysburg Farm Series, "Teahouse, Playhouse, Putting Green, Skeet Range," Eisenhower National Historic Site Library)

Figure 2.97. Putting green and sand trap soon after initial installation, north flower garden and Eisenhower home in background, view to southwest, November 1955. (EISE NHS files, #2868)

Figure 2.98. Detail of putting green flag. (Photo by OCLP, 2002)

Figure 2.99. Putting green in state of neglect, sandtrap to right of photo, barn and storage building in background, view to northwest, May 1969, (W. E. Dutton, EISE NHS files)

Figure 2.100. One of the few original trees in eastern lawn, possibly a crabapple, October 1954. (EISE NHS files, #2808)

Figure 2.101. White pines, crabapples, and tulip poplars in the eastern lawn, NBC panel discussion near barbecue/teahouse, view to northeast, 6 June 1961. (Lane Studio, EISE NHS files, #2689)

Figure 2.102. Tulip poplar, white pine, and other trees in the eastern lawn, view to south, teahouse/barbecue screened by mature trees, May 1969. (W. E. Dutton, three images combined into a panorama, EISE NHS files)

Figure 2.103. Newly installed flagpole in the eastern lawn, view to west, ca. 1955. (EISE NHS files)

Figure 2.104. Flagpole and boxwood hedgerow, view to east, no date. (EISE NHS files, "Gift Books")

Figure 2.105. Rear terrace birdbath and iron bench, east rose garden in foreground, 25 July 1956. (US Navy, EISE NHS files, #2931)

Figure 2.106. Side yard birdbath with concrete bird in background, Frisco railroad bell in foreground, 1 July 1955. (EISE NHS files, #3250)

Figure 2.107. Handmade birdfeeder given to Mrs. Eisenhower, no date. (EISE NHS files, "Gift Books")

Figure 2.108. Location of the north lawn birdbath, railroad bell, and lantern, north garden in the foreground, 1 July 1955. (EISE NHS files, #3246)

Figure 2.109. Detail of Martin House. (Photo by OCLP, 2002)

Figure 2.110. Electric wire fencing along the eastern lawn and field boundary, General and Mrs. Eisenhower receive a 39th anniversary gift during their celebration, 1 July 1955. (Mary Jane McCaffree, EISE NHS files, #2286)

Figure 2.111. Detail of south lantern on rear terrace, view to south, May 1969. (W. E. Dutton, EISE NHS files)

Figure 2.112. General and Mrs. Eisenhower pose for a 50th wedding anniversary photo on one of the iron benches on the rear terrace, 28 June 1966. (Paul Roy, EISE NHS files, #1573)

Figure 2.113. Iron table, chairs, and bench on rear terrace, General and Mrs. Eisenhower walking along the flagstone path, 27 June 1966. (AP photo, Lane Studio, EISE NHS files, #2405)

Figure 2.114. Location of lantern and railroad bell along the flagstone walk, south end of the rear terrace, May 1969. (W. E. Dutton, EISE NHS files)

Figure 2.115. Frisco Railroad Bell, located on the north end of the rear terrace, 1 July 1955. (EISE NHS files, #3250)

Figure 2.116. Wabash Railroad Bell, located on the south end of the rear terrace, 6 October 1959. (US Navy, EISE NHS files, #2583)

Figure 2.117. Detail of sundial on artillery shell, no date. (EISE NHS files, "Gift Books")

Figure 2.118. Artillery shell sundial in center of eastern lawn, Wabash bell in foreground, White House staff picnic, 1 July 1955. (EISE NHS files, #3242)

Figure 2.119. Mrs. Eisenhower in doorway of sunporch, wooden planters on step, small garden plaque in bed to right, summer 1966. (EISE NHS files, #3185)

Figure 2.120. Detail of garden plaque used in rear terrace beds, “The kiss of the sun for pardon, The song of the birds for mirth, One is nearer God’s heart in a garden, Than anywhere else on earth,” May 1969. (W. E. Dutton, EISE NHS files)

Figure 2.121. Detail of incinerator. (Photo by OCLP, 2002)

Figure 2.122. New garages and chauffeurs’ quarters on the south end of the barn, installation of spruce and hemlocks, 4 October 1954. (Walter West collection, EISE NHS files, #1124A)

Figure 2.123. Installing a mature maple beside the barn with a tree spade, Butts Tree Movers from Cairo, NY, 4 October 1954. (Walter West collection, EISE NHS files, #1118)

Figure 2.124. Recently installed maple near barn with wrapped trunk, view southeast from guesthouse porch, July 1955. (EISE NHS files, #3236)

Figure 2.125. Spruce and hemlock tree screen soon after installation, boxwoods on rear terrace in foreground, view to northeast, 4 October 1954. (Walter West collection, EISE NHS files, #1116)

Figure 2.126. Tree screen at barn approximately one year after installation, no shrubs have been installed, fall 1955. (EISE NHS files, #1176)

Figure 2.127. Mature trees in screen underplanted with shrubs, view across lawn to west, May 1969. (W. E. Dutton, two images combined into panorama, EISE NHS files)

Figure 2.128. Tree screen, guesthouse, and garage, view toward west, spruce and lilac adjacent to garage, right of photo, 15 November 1955. (Paul Roy, Gettysburg Times, EISE NHS files, #2257)

Figure 2.129. Redding garage prior to remodeling into the Eisenhowers’ guesthouse, garage to right of photo, view toward south along entry drive, spring 1954. (Gettysburg Times, EISE NHS files, #2790)

Figure 2.130. Guesthouse, west facade, before porch addition, dogwood planted along wall, white pines at southern end, 1 July 1955. (EISE NHS files, #3218)

Figure 2.131. Mature white pines on south end of guesthouse, May 1966. (Eisenhower Family collection, EISE NHS files, #3436)

Figure 2.132. (below) Guesthouse east facade, after porch addition, Pitzer Schoolhouse bell on roof, iron railing on porch, wisteria along foundation, 8 September 1967. (Lane Studio, EISE NHS files, #2155)

Figure 2.133. Guesthouse front facade, path to barn and parking in left foreground, May 1969. (W. E. Dutton, EISE NHS files)

Figure 2.134. Storage building, south and east facades, various shrubs along foundation and weeping cherry adjacent to east facade, 8 September 1967. (Lane Studio, EISE NHS files, #2832)

Figure 2.135. Storage building north and west facades, original garage door on northwest corner, 8 September 1967. (Lane Studio, EISE NHS files, #2828)

Figure 2.136. Storage building east facade from Nevins Lane, showing that the east foundation originally featured more foundation shrubs, May 1962. (Robert Hartley, EISE NHS files, #3128)

Figure 2.137. Quonset hut and catalpa row, view toward north across eastern lawn. (EISE NHS files, “Gift Books”)

Figure 2.138. Catalpa row near future location of Quonset hut, 11 June 1952. (EISE NHS files, #2229)

Figure 2.139. Quonset hut and bird coop, overgrown vegetation, view toward northeast, 8 September 1967. (Lane Studio, EISE NHS files, #2838)

Figure 2.140. Dog pens and house under catalpa row near Quonset hut, view toward southwest, fall 1955. (EISE NHS files, #2925)

Figure 2.141. Citgo gas pumps near barn. (Photo by OCLP, 2002)

Figure 2.142. Stepping stone path to barn from north stairs on rear terrace, Mrs. Eisenhower greeting guests at a White House staff party, 1 July 1959. (Mary Jane McCaffree, EISE NHS files, #2333)

Figure 2.143. Concrete walk to barn from north stairs on rear terrace, 27 June 1966. (Lane Studio, EISE NHS files, #2415)

Figure 2.144. Greenhouses, view toward southeast. (EISE NHS files, “Gift Books”)

Figure 2.145. Greenhouses and playhouse, view toward east across vegetable garden, trees along boundary with eastern field in background, May 1969. (W. E. Dutton, EISE NHS files)

Figure 2.146. Walter West at work in the small greenhouse, no date. (Walter West collection, EISE NHS files, #EE2045)

Figure 2.147. Spring planting in the vegetable garden, view across garden to west, large sycamore tree background, 1956. (Walter West collection, EISE NHS files, #EE2017)

Figure 2.148. Original extent of the vegetable garden on Farm #1 from greenhouses to southern treeline, aerial of Farm #1 from south, 22 June 1964. (Lane Studio, EISE NHS files, #2973)

Figure 2.149. Vegetable gardens, view toward northeast, greenhouses in background. (W. E. Dutton, EISE NHS files)

Figure 2.150. Detail of playhouse, western facade, white clapboards and red shingle roof, May 1969. (W. E. Dutton, EISE NHS files)

Figure 2.151. Aerial of Farm #1 from south, detail of south gardens including (from left of photo) path to Farm #2, telephone pole, concrete foundation for south guardhouse, Martin house, south rose garden, incinerator, vegetable gardens, playhouse, and greenhouses, 9 August 1967. (A. J. Parsonese, US Marine Corps, EISE NHS files, #2988)

Figure 2.152. Established orchard north of the barn, upper left corner of photo, no fence between orchard and pasture, aerial view toward northeast, spring 1955. (Lane Studio, EISE NHS files, #2990)

Figure 2.153. Winter view of orchard, aerial from north, orchard fenced off from surrounding pasture, ca. 1960s. (Robert Hartley collection, EISE NHS files #3102)

Figure 2.154. Orchard from entry drive, view toward east, May 1969. (W. E. Dutton, EISE NHS files)
