

LEGEND

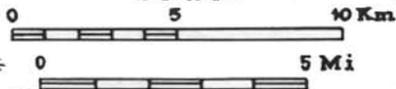

Selected Rock Units:

-  Tsv, Tertiary sedimentary and volcanic rocks, undivided
-  PMr, Pennsylvanian and Mississippian autochthonous rocks
-  OCal, Ordovician and Cambrian allochthonous rocks
-  Pzat, Middle and lower Paleozoic and upper Precambrian autochthonous rocks
-  pEj, Precambrian Johnnie Formation
-  pEp, Precambrian Pahrump Group

Line Symbols:

-  Fault
-  Thrust fault, older rocks on younger
-  Low-angle fault, younger rocks on older
-  Boundary between alluvium and bedrock
-  Line of geologic section shown on Figure 3

Scale:

Geology after Reynolds (1969 and unpublished) and after Troxel and Wright (written commun., 1971)
