The U. S. S. Arizona was the scene of much action last Tuesday evening when a large group of well known movie stars and radio artists from Warner Brother's Studios entertained the Arizona personnel with one hour and a half of snappy vaudeville.

James Cagney, who is playing the leading role in the picture now being made on the Arizona was presented to the audience in a dance number which displayed his versatile ability.

"My dear Admiral:

The Board of Managers wished me to express to you and through you to the Officers and Men of your command its deep appreciation of the generous contribution from them to the funds of this Society.

The Members feel deeply grateful not only for the money which is so necessary for carrying on our work but what pleases them even more is the indication thus clearly shown of the deep interest which such a contribution shows in the suffering, needs and welfare of the dependents of their shipmates in distress.

With best wishes for a very successful trip to this Coast, believe me,

Very sincerely,  
/s/ Spencer S. Wood."

**WE ARE THE UNITED STATES NAVY**  
(Presented by the author)

High seas and seldom cruised land-going tide  
Tracing the charted main, near, far and wide—

Wherever people choose to abide  
There our great ships in majesty ride—  
Bearing the flag of a wonderful land,  
Moulded in courage and mighty command—  
We are the United States Navy.

Tropics and far-North, forgotten isles,  
Ever the wanderlust calls for miles—  
Where nature's at best—and a maiden smiles—

As we shall vision in afterwhiles!  
Sailing the waterways Magellan knew,  
Ours is the fate allotted to few—  
We are the men of the Navy.

Heroes unsung, whose ambitions we share—  
Past, present, future — men called four-square—  
Respecting traditions as men who care—  
Protecting the Nation whose standard we bear—

Holding ideals as but real men dare—  
We're as you find us—all times—everywhere—  
We are the United States Navy.

—Mary A. O'Hare.

All hands regret that Miss Stuart feminine star of the picture, could not appear on the program. Miss Stuart took her bow and made a hasty exit to fill a previous engagement.

## ARIZONA ATHLETES

The following named men were commended at a commendatory mast held 17 March for exceptional interest and active participation in athletics:
