

First Amendment Areas

Areas have been designated where people who wish to express their first amendment rights may do so without unduly interfering with either pedestrian or vehicle circulation, or other visitors experience.

- Persons interested in engaging in First Amendment activities may request a map of designated First Amendment areas from perl_commercial_services@nps.gov.
- Groups of up to 25 are encouraged to first obtain a Special Use Permit. First Amendment activities for more than 25 persons and/or in other locations are prohibited except subject to the conditions of an approved Special Use Permit.
- Groups of more than 25 may not divide themselves into more than one group of less than 25 persons to avoid obtaining a special use permit.
- First amendment areas are designated as follows to accommodate first amendment activities and limit visitor use conflicts:

Flag Court Lawn (25 feet in from sidewalk), Lift Station Lawn (10 feet in from sidewalk), Halawa Lawn (25 feet in from U-Drive Unloading area sidewalk), Belleau Lawn (25 feet by 25 feet across Belleau Wood Loop Road from Building 90), Lawn at USS Utah Memorial.
