White Birch Trail - Length: 2.0 miles
This self-guiding interpretive trail begins at the east end of Twelvemile Beach Campground and ends on the campground road, one-quarter mile east of the trailhead. The trail explores the natural history of the uplands adjacent to the lake - an environment very different from that near the campground.

Au Sable Light Station - Length: 3.0 miles round trip
Leaving from Hurricane River Campground, walk back in time to an isolated Lake Superior lighthouse. Exposed shipwreck remains dot the shoreline, and the quiet light station gives you a feeling of yesteryear where families lived and worked from 1874 to 1958. Guided tours of the lighthouse are provided in summer. Reminder: No Pets or Bicycles.

Grand Sable Forest Trail - Length: 2.0 miles round-trip
Nice walk between the Grand Sable Visitor Center and the Sable Falls parking lot. The trail offers a stroll through a maple forest and along the edge of old farm fields.

North Country Trail segments - Length: up to 42 miles (through the park)
In addition to some of the trails listed above, there are many other trail segments in the park, like Miners Castle to Sand Point or Log Slide to Au Sable. Check the Backcountry Trip Planner map for locations and lengths.

Any hike is more fun if you are properly prepared:
Know the route. Let someone know where you are going & your expected time of return.
Wear sturdy shoes. Check the weather forecast before leaving.
Carry a snack and water. A permit is required for backcountry camping.
During hunting season, wear bright clothes. Use toilets where provided; otherwise bury waste 6-8 inches deep and cover with soil.
Carry out all your trash.
