

**Ken Patrick
Visitor Center**

The image is an aerial photograph of the coastline at Point Reyes National Seashore. A red line follows the curve of the beach, indicating a closure zone. A white callout box points to the Ken Patrick Visitor Center. Two red callout boxes point to specific areas of the beach: one for a temporary closure and another for a permanent year-round closure.

**Temporary Beach
Closure**
February 4 – March 31

**Permanent
Year-Round
Beach
Closure**
