

Limantour Road Work
Delays should last no more than 15 minutes.

Bear Valley Visitor Center
Park Headquarters
(Open as staffing allows.)

Limantour Beach
No lifeguard on duty

All areas and trails south of Limantour Road, west of Bear Valley Visitor Center Access Road, west of Riftzone Trail, and north of Stewart Trail are closed to all access until further notice. Except for Limantour Beach. Visitors are welcome to walk southeast on Limantour Beach to Sculptured Beach. Stay on the beach. Coast, Glen, and Sky Campgrounds are closed until further notice.

Steep Cliffs
The cliffs above Wildcat Beach and in the Alamere Falls area are likely to crumble and slide. Climbing on them or walking near the edge invites catastrophe. Because of falling rocks, walking immediately below cliffs is dangerous. Keep away!
