Dear Ms. Trainer:

This is in response to your FOIA request dated November 17, 2010, assigned National Park Service FOIA Tracking Number #2011-0100, in which you sought "documents and emails received by the National Park Service from the public regarding the General Management Plan for Point Reyes National Seashore...". You also requested "any notes taken by the Park Service or your contractors at the public meeting held a few years ago at Park Headquarters in the Red Barn regarding the General Management Plan". You also noted "time period for requested materials is from 2007 to present".

Seashore Chief of Interpretation and Resource Education John Dell'Osso contacted you on December 1, to let you know that the last public meeting hosted by the Point Reyes National Seashore regarding the General Management Plan update was held on January 14, 2004. During your conversation with Mr. Dell'Osso you advised us that you would like to request only the NPS summary of the January 24, 2004, public meeting.

In response to your request, we located one document in park files entitled "Staff Report Summary of Comments from *Concepts Newsletter Review*, Point Reyes National Seashore, General Management Plan Update", which we are providing to you in its entirety.

The fee for providing this document is less than \$30 and is not being charged in accordance with 43 CFR 2.16(b)(2) and 2.18(a).

If you have any questions please do not hesitate to contact park FOIA Officer Ann Nelson.

Sincerely,

Cicely A. Muldoon
Superintendent
