

Honouliuli Gulch and Associated Sites Special Resource Study

Draft Study Comment Form

We are interested in hearing your thoughts on the draft special resource study and environmental assessment for Honouliuli Gulch and Associated Sites. Below are some questions that may serve as a helpful guide. You may fill out this comment form and mail it back to us, or you may fill it out electronically through the Honouliuli website at <http://www.nps.gov/pwro/honouliuli>, or you may send us a separate letter with your comments. The comment period will extend through July 15, 2014. We hope that you will remain involved with the study and look forward to hearing from you.

Questions for You to Respond To:

1. Of the alternatives presented in the Honouliuli Gulch and Associated Sites Draft Special Resource Study, which do you feel the NPS should recommend to Congress? Please explain why.

2. Do you have any suggestions for strengthening or improving the proposed alternative? If so, what are they?

3. Do you have any other comments related to this draft study content, findings, or the environmental assessment?

4. Would you like to be on the mailing list for the SRS or receive an update following the comment period? If yes, please write your name and contact information on the back of this page. We may send you future newsletters and information about the special resource study. Please be sure to include your e-mail address in your request.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask us to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
