Dear Visitor:

The staff at Redwood National and State Parks are dedicated to preserving these lands and resources as part of our national heritage and committed to providing outstanding service to the public. We can do it with your help! Please take a little time to tell us what we are doing right and where we need to make improvements. You can give this completed form to any park employee or mail it at your convenience; our address is printed on the other side. Be sure to include your name and address if you have a concern that needs our written response. Thank you, and please plan to come back and see how we are doing.
