Join Richmond National Battlefield Park Youth Conservation Corps (YCC)

The YCC Summer Program provides employment opportunities and environmental education to hard-working high school students interested in working in National Parks.

WHY PARTICIPATE

Gain valuable skills, including teamwork, leadership, conservation, landscape management and communication, which make for an impressive **resume builder**.

Develop an understanding of the environment through educational opportunities, **hands-on** work experience and several **field trips** to some of Virginia's natural and historic sites.

Earn money! YCC participants earn **\$7.25 per hour**. No experience necessary!

WHAT TO EXPECT

As a member of YCC's Summer Program, you'll work to preserve and protect Richmond National Battlefield Park's natural and historic resources. You will assist with invasive vegetation removal, water quality monitoring, trail work, and much more.

HOW TO APPLY

Please contact the National Park Service for more information or an application at: kristen_allen@nps.gov, jonathan_chandler@nps.gov, or (804) 795-5019
