Enjoy the River Safely and Responsibly.

**Boating and Paddling (36CFR 3)**
- Wear your life jacket! Approved life jackets for each person are required on your vessel.
- Children under 13 are required to wear a life jacket.
- Slow-no wake, which is operation of a motorboat at the slowest possible speed necessary to maintain steerage, is in effect within 100 feet of:
  - A downed water skier;
  - A person swimming, wading, fishing from shore or floating with the aid of a flotation device;
  - A designated launch site; or
  - A manually propelled, anchored or drifting vessel.
- Use of personal watercraft is prohibited. (Defined in 36CFR 1.4)

**Camping (36CFR 2.10)**
- Camping is only allowed at designated sites on a first-come, first-served basis.
- Camping stay limit is 3 consecutive nights at a campsite.
- Individual campsites accommodate a maximum of 8 people and 3 tents.
- Group sites accommodate a maximum of 16 people and 6 tents.
- Tents must be occupied on the first night of stay. Equipment left unattended to hold a site will be treated as abandoned.

**Campfires and Firewood (36CFR 2.1)**
- Open campfires are allowed only in metal campfire rings.
- Dead and down wood may be collected for campfires from shoreline areas but not from islands.
- Dead and down wood may be collected for campfires from shoreline areas but not from islands.
- Use of personal watercraft is prohibited. (Defined in 36CFR 1.4)
- Use of live crayfish as bait is prohibited.
- Use of live mussels, clam and clams as bait is prohibited.
- Use of live crayfish as bait is prohibited.
- Help prevent the introduction of invasive species. Never release bait, bait water, or water from live bait wells into the river.

**Sanitation and Refuse (36CFR 2.14)**
- Where a pit toilet is not available, human waste and pet waste must be removed from the park or be buried at least 6 inches underground and a minimum of 100 feet from any water source, high water mark, trail, or facility.
- Carry out all trash.
- Littering is not allowed.
- Please do not put trash in toilets.

**Fishing (36CFR 2.3)**
- Dumping or release of live bait is prohibited.
- Use of live crayfish as bait is prohibited.
- Help prevent the introduction of invasive species. Never release bait, bait water, or water from live bait wells into the river.

**Resource Protection (36CFR 2.1)**
- Collecting live or dead mussels, empty mussel shells, historical artifacts, or wildflowers is prohibited.
- The cutting of live vegetation is strictly prohibited.
- To prevent the spread of emerald ashborer, only use firewood that is kiln dried or collected within 25 miles of where it will be used.
- Campfires must be out and cold before you leave the area.
- Pets must be on a leash no longer than 6 feet. Pet waste must be removed from the park or buried. (36CFR 2.15(a)(1))
- Possession or shooting of fireworks are prohibited. (36CFR 2.38(b))
- Quiet hours are from 10:00 pm to 6:00 am. (36CFR 2.10(b)(4))
- Do not jump or dive from cliffs, trees, swing ropes, or bridges. (36CFR 1.5)

**Safety Tips**
- Check river conditions before launching www.nps.gov/sacn/planyourvisit/current-conditions.
- Know your paddling ability. Not all stretches of the Riverway are suitable for beginners.
- Avoid trees that have fallen into the river. They can catch and overturn your vessel.
- Wear sunscreen, sunglasses, and a hat to prevent sunburn.
- Wear alcohol responsibly.
- Do not bring glass containers to the river. They can catch and overturn your vessel.
- Always follow safety guidelines and avoid swimming, wading, and going over rapids.
- Never release bait, live crayfish, or any other items into the river.

For COVID-19 updates, see www.nps.gov/sacn.

**Namekagon River Map 3:** Trego to Riverside Landing

The Namekagon River is named after an Ojibwe word meaning “place where the sturgeon are.” Look for them resting under overhanging river banks.

In This Stretch
- Downstream of County Road K Landing the river is narrow and contains riffles.
- Downstream of Howell Landing the river is somewhat rocky until you pass Highway 77, then it becomes sandy.
- Fritz Landing can be hard to see. Watch for a small island and use the left channel if taking out there.
- The river widens after McDowell Bridge Landing. After Namekagon Trail Landing the river becomes rockier with riffles and there are several Class I rapids before the confluence.
- The St. Croix River has a rocky bottom and is shallow, making it challenging during low water conditions. There are more rapids as you approach Riverside Landing.
- ALERT: Construction of US 53/63 Trego Interchange will occur through 2022. See map side for further information.
