## Terms of Agreement:

The St. Croix 1604 Teacher's Trunk is the property of the U.S. Government. It is available on loan to your organization and must be returned, in its entirety, to Acadia National Park or Saint Croix Island International Historic Site.

I am aware that any deposit left can be forfeited, and I may be charged the full value of the kit (\$US 300) if anything is damaged or not returned. When two schools share a kit, both agree to share the above responsibilities.

## This Traveling Trunk

Saint Croix Island International Historic Site (IHS) offers this unique curriculum-based program for your students. The trunk may be borrowed from Saint Croix Island IHS or Acadia National Park upon request.

The trunk contains information about the significance of Saint Croix Island—the only international historic site in the U.S. National Park system.

This curriculum-based trunk is appropriate for grades 5 through 8. Students will take part in classroom discussion, role playing, and independent research.

The St. Croix 1604 Teacher's Trunk is available on loan, free of charge, except for postage and insurance when the trunk is being shipped.

A security deposit may be required to obtain the kit. For availability and information, please contact:
