I support _____ (Name of Teacher) in participating in the Teacher to Ranger to Teacher Program. I understand there is an Intergovernmental Agreement between the school district and the National Park Service. This agreement supports teachers working in National Parks during the summer as a park ranger, while developing activities that support the curricula of this school. I will allow this teacher to implement these activities into the classroom with my review and approval.

I will also allow this teacher to actively participate throughout the week of National Park Week in April. During that week, this teacher is allowed to wear the National Park Service uniform at school and give presentations about their summer experience in the parks to the student body of this school. With the support of our school district supplying substitute teachers for one day, this teacher is allowed to visit one or two other schools on that day during National Park Week.
