

National Public Lands Day

**Come Join Saguaro National Park Staff and Community Members
in a Day of Service for **National Public Lands Day!****

Saguaro National Park will be holding service events and educational programs in **BOTH** districts of the park (East and West).

East District:

8AM—2PM: Join us to work on the new Desert Research Learning Center. We will be planting native trees and shrubs, including Kino fruit trees, installing drip irrigation, landscaping, weeding, mulching, creating rainwater harvesting basins, and establishing a nature trail at this new environmental education center. Please bring water, lunch and appropriate shoes and clothing. Tools, gloves and all materials will be provided.

Contact to sign up: Andy Hubbard
andy_hubbard@nps.gov or (520) 751-6861

Location: 12661 E. Broadway Blvd. ,
Tucson, Arizona 85748

11:30 AM: There will also be a FREE educational talk about the history of the National Parks open to the public in the Learning Center!

West District:

8 AM—2PM: Join Saguaro National Park Staff in their efforts to remove invasive Buffelgrass from our park! Park staff will lead volunteers (ages 12+) to a plot of buffelgrass for the pull. Buffelgrass pulls are small successes in our war against these noxious weeds. Please bring water, lunch and appropriate shoes and clothing. Tools, gloves and all materials will be provided.

Contact to sign up: Dana Backer
dana_backer@nps.gov or (520) 733-5179
